MARCUS W. WHITE — 1877 - 1970

Marcus W. White died this spring at the age of 93. He commenced stamp collecting in 1886, when he was nine years old and in 1893, the year of the Columbians, he began his concentration on Postal Stationery, first of the United States, and later, in certain foreign areas.

He has been a legend in his own time, with experience encompassing three generations and was a collaborator in the preparation of many of the most important publications on U. S. Postal Stationery. He worked with J. M. Bartels, with Dr. Victor Berthold, and worked right up to the time of his death with Prescott H. Thorp in the preparation of the catalogues and check lists.

In his own estimation his greatest work has been in the field of U. S. "Specimen" envelopes, of which his collection is probably the most noteworthy ever formed.

His holdings of U. S. Postal Stationery are massive. It is the only word which can adequately convey the magnitude. This first section of the collection is limited to unused issues. Words are inadequate to portray the importance of the collection. Our catalogue of the material offered tells its own story and we present this magnificent holding with a great deal of pride.

We have before us a list of awards and honors won by Marcus White for his collections and his studies. It occupies three typewritten pages. The awards are for his exhibits at national and international stamp shows and every one well merited.

Until the time of his retirement some years ago, Marcus White was with the Norton Company, of Worcester, Massachusetts, where he made his home. After he retired, he became a familiar figure at philatelic meetings and gatherings and was a frequent attendant at various auction sales in the East, when material to interest him was offered. We, who knew him personally for many years, always found him to be a warm, friendly human being, full of enthusiasm for his fields of collecting. Great though he was as a philatelic student and as a contributor of so much research in his particular fields of collecting his greatest legacy is in the number of serious collectors of U. S. Postal Stationery who were stimulated by him and his enthusiasm as student and collector.

We appreciate the kind assistance rendered by Mr. Prescott Holden Thorp. The sale of further portions of his collections will be announced in due course.

All disputed lots must be returned intact as received and lots containing five or more stamps are not returnable at any time. No lots may be returned by purchasers who have had the opportunity to examine them prior to the sale. No illustrated lots may be returned because of centering, margins or other factors shown in the illustration.
4. Successful bidders, unless they are known to us or supply acceptable references are expected to make payment in full before the lots are delivered. Mail bidders will be notified of the amount of their purchases. We reserve the right in our sole and absolute discretion to demand cash at the time a lot is knocked down to any bidder who has not previously established credit with us or whose account is in arrears. In the event any buyer refuses to pay cash for any lot at the time it is knocked down to him, the auctioneer reserves the right to re-offer the lot immediately for sale to the highest bidder.
5. If the purchase price has not been paid within the time limit, or lots taken up within seven days from date of sale, they may be resold and any losses arising from such sale charged to the defaulter.
6. All lots are sold as genuine but should any lot be proved otherwise by written opinion of any competent, responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided that any such claim is made within 25 days from date of sale. If claim is not made within this period no lots are returnable for any reason at any time. Naturally, so long as we are notified within the 25 day period that an opinion is being sought the matter will remain open until such opinion is rendered. We will not be responsible for any charges incurred by the buyer for expertization fees and costs.
7. The right is reserved to group two or more lots, also withdraw any lot or lots from the sale, or to act on behalf of the seller.
8. Until paid for in full all lots remain the property of Robert A. Siegel Auction Galleries, Inc.
9. No commission is charged for buying at our sales, but all forwarding charges will be added to the purchase price. Shipment will be made to a post office box only if the buyer has also furnished a street address. All large lots unsuitable for parcel post will be sent by REA Express collect, or, upon request, REA Air Express collect.
10. Upon written application lots may be sent for examination prior to the auction, condition upon being mailed back by registered mail, adequately insured, within 24 hours of receipt. The applicant is completely responsible for all lots sent for examination, and for the insurance of same against mishap, from the time of receipt until they are actually received back, and is to pay all expenses of postage and insurance. No lots can be sent for inspection within ten days of the date of sale.
11. The placing of a bid shall constitute acceptance of the forgoing conditions of sale.

IS YOUR COLLECTION FOR SALE?

REALIZE IMMEDIATE CASH PLUS THE ADDED ADVANTAGE OF SELLING THROUGH OUR AUCTIONS

We will advance immediate cash up to 75% of our appraisal value, of what your collection should realize at auction. There is no interest charge.

Your collection will then be sold in one of our coming auction sales. All stamps are expertly and advantageously lotted in attractive, well illustrated catalogs. Lotting is meticulously planned under our personal supervision. Commission is 20% of the gross realization. There is no lotting fee or any other charges. Final settlement is made within five weeks after the sale. We have been continuously conducting stamp auctions in the United States for over forty years.

Valuable collections and stamp holdings are especially wanted, but we will accept properties valued from \$500 upwards. Send all stamps direct for appraisal. Auction advance will be remitted shortly after receipt. If not entirely pleased, stamps will be returned at our expense. If circumstances warrant due to bulk or value, we will travel anywhere to inspect important properties.
