ROBERT WILLIAMSON BAUGHMAN

1907 - 1970

Robert W. Baughman spent a lifetime in forming his great collections. Born at Plains, Kansas, March 16th, 1907, he lived most of his life in that State, the few times he left there being during schooling in California, a short period as newspaper publisher in Colorado and service in the Navy during World War II. Most of his life was devoted to the Baughman Farms Company, a great agricultural enterprise.

His interest in stamps dated back to when he was six years old and his philatelic acumen developed through the years to the point where he became one of the most distinguished philatelists in the country. He became President of the Society of Philatelic Americans in 1962, serving with distinction until 1966. He and Mrs. Baughman traveled extensively to important Philatelic Exhibitions here and abroad and he often served as a Judge at these events. He was also a member of the Postmaster General's Stamp Advisory Committee from 1961 to 1964.

Some of his collections are of maximum importance as, for instance, the incomparable collection of Imperial Russia offered in this catalogue. Another area of special importance is Kansas Postal History covers, including The Pony Express, which we shall offer at a later date. That Kansas Postal History was a favorite is easily understandable, for, in addition to amassing the noteworthy collection of early Kansas covers he was the author of "Early Day Kansas Post Offices" and "Kansas in Maps".

There are other outstanding areas of collecting in which he was engaged and they will be the subject of future sales for which announcement will be made in due course.

His passing creates a void which can never be filled. It serves to remind us that we philatelists of today are the trustees or custodians for the generations of collectors to come and that the great collections of the future can only be built from the great collections of today.

IV means that our estimated net value on the lot is \$30.00 to \$40.00. Lots may actually realize more or less than our estimates, which are under no circumstances to be considered reserves but merely a guide to bidding.

RUSSIAN RURAL POSTAGE STAMPS, ISSUED BY THE ZEMSTVOS

The Catalogue numbers used, are those of Schmidt's "Russischer Land-schafsmarken", 1934 Edition. CONDITIONS OF SALE

1. The terms of sale are strictly cash on delivery to the highest bidder unless special arrangement have been made prior to the sale.
2. All bids are per lot as numbered in the catalogue and not per piece, unless otherwise announced by the auctioneer at the time of sale.
3. Any lot, the description of which is incorrect is returnable, but only within three days of receipt. All disputed lots must be returned intact as received and lots containing five or more stamps are not returnable at any time. No lots may be returned by purchasers who have had the opportunity to examine them prior to the sale. No illustrated lots may be returned because of centering, margins or other factors shown in the illustration.
4. Successful bidders, unless they are known to us or supply acceptable references are expected to make payment in full before the lots are delivered. Mail bidders will be notified of the amount of their purchases. We reserve the right in our sole and absolute discretion to demand cash at the time a lot is knocked down to any bidder who has not previously established credit with us or whose account is in arrears. In the event any buyer refuses to pay cash for any lot at the time it is knocked down to him, the auctioneer reserves the right to re-offer the lot immediately for sale to the highest bidder.
5. If the purchase price has not been paid within the time limit, or lots taken up within seven days from date of sale, they may be resold and any losses arising from such sale charged to the defaulter.
6. All lots are sold as genuine but should any lot be proved otherwise by written opinion of any competent, responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided that any such claim is made within 25 days from date of sale. If claim is not made within this period no lots are returnable for any reason at any time. Naturally, so long as we are notified within the 25 day period that an opinion is being sought the matter will remain open until such opinion is rendered. We will not be responsible for any charges incurred by the buyer for expertization fees and costs.
7. The right is reserved to group two or more lots, also withdraw any lot or lots from the sale, or to act on behalf of the seller.
8. Until paid for in full all lots remain the property of Robert A. Siegel Auction Galleries, Inc.

No lots can be sent for inspection within ten days of the date of sale.
11. The placing of a bid shall constitute acceptance of the forgoing conditions of sale.
