CONDITIONS OF SALE

1. The terms of sale are strictly cash on delivery to the highest bidder unless special arrangements have been made prior to the sale.
2. All bids are per lot as numbered in the catalogue and not per piece, unless otherwise announced by the auctioneer at the time of sale.
3. Any lot, the description of which is incorrect is returnable, but only within three days of receipt. All disputed lots must be returned intact as received and lots containing five or more stamps are not returnable at any time. No lots may be returned by purchasers who have had the opportunity to examine them prior to the sale. No illustrated lots may be returned because of centering, margins or other factors shown in the illustration.
4. Successful bidders, unless they are known to us or supply acceptable references are expected to make payment in full before the lots are delivered. Mail bidders will be notified of the amount of their purchases. We reserve the right in our sole and absolute discretion to demand cash at the time a lot is knocked down to any bidder who has not previously established credit with us or whose account is in arrears. In the event any buyer refuses to pay cash for any lot at the time it is knocked down to him, the auctioneer reserves the right to re-offer the lot immediately for sale to the highest bidder.
5. If the purchase price has not been paid within the time limit, or lots taken up within seven days from date of sale, they may be resold and any losses arising from such sale charged to the defaulter.
6. All lots are sold as genuine but should any lot be proved otherwise by written opinion of any competent, responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided that any such claim is made within 25 days from date of sale. If claim is not made within this period no lots are returnable for any reason at any time. Naturally, so long as we are notified with the 25 day period that an opinion is being sought the matter will remain open until such opinion is rendered. We will not be responsible for any charges incurred by the buyer for expertization fees and costs.
7. The right is reserved to group two or more lots, also withdraw any lot or lots from the sale, or to act on behalf of the seller.
8. Until paid for in full all lots remain the property of Robert A. Siegel Auction Galleries, Inc.
9. No commission is charged for buying at our sales, but all forwarding charges will be added to the purchase price. Shipment will be made to a post office box only if the buyer has also furnished a street address. All large lots unsuitable for parcel post will be sent by REA Express collect, or, upon request, REA Air Express collect.
10. Upon written application lots may be sent for examination prior to the auction, condition upon being mailed back by registered mail, adequately insured, within 24 hours of receipt. The applicant is completely responsible for all lots sent for examination, and for the insurance of same against mishap, from the time of receipt until they are actually received back, and is to pay all expenses of postage and insurance. No lots can be sent for inspection within ten days of the date of sale.
11. The placing of a bid shall constitute acceptance of the forgoing conditions of sale.

Good (G)—means average off-centering; or fairly attractive with slight defects.

Original gum (OG)—is not to be expected on 19th Century stamps unless so stated.

Plate Blocks—Minor perforation separation in selvage only is not noted in description.

Reduced selvage note on tops; on sides and bottoms only if plate number is touched or cut into.

ESTIMATES

Our sales offer many covers, cancellations, varieties and other items for which there is no catalogue value or where catalogue value does not reflect the actual value. In order to assist our clients, we are placing a fair net valuation on such lots as a guide to bidders. The chart below will be used. For example, E. IV means that our estimated net value on the lot is \$30.00 to \$40.00. Lots may actually realize more or less than our estimates, which are under no circumstances to be considered reserves but merely a guide to bidding.
