- 89 **PERSIA**, 14 covers and one letter from a Missionary at Oroomiah, Persia most addressed to New York City. The collection starts with an 1834 folded letter datelined "Constantinople" written en-route to Persia and gives a vivid description of the city in those days, including a meeting with the Sultan. The letters from Persia relate to missionary activities but give a wonderful picture of the country and its people, as well. They cover a period 1836-1846 all but one are folded letters put into mails at various U. S. ports, many with Ship markings and rates. One is slit for fumigation. The contents of the letters are of inestimable interest and value to students. One letter refers to attempts by Moslems to proselyte the Kurdish peoples; another deplors proselyting by Roman Catholic Missionaries. All of them show the zeal and determination of dedicated people. A great lot, from many points of view, philatelic, religious and historical. We feel our estimate is very much on the conservative side **E. IX**

COVERS: 3c GREEN BANK NOTE ISSUES

CANCELLATIONS

Here is a most important collection of fancy cancellations on the 3c Green, Bank Note Issues. Since the prime interest is in the cancellation we are making no distinction between the various issues unless it is of special interest to the cover.

These cancellations may be found on Nos. 136, 147, 158, 184 or 207.

Our descriptions will be directed to the postmarks and cancellations and stamps may be expected in average condition. Any palpable defects will be noted but we are not going to fill the catalogue with mentions of centering, possible irregular perfs. and the like. In other words, descriptions are pointed to the real interest in these covers . . . the fancy and unusual cancellations of which this is an exceptional offering.

Is a philosophical method of writing the English language with an Alphabet composed of simple geometrical figures which accurately represent the sounds of words. It is written six times as fast as ordinary language, is equally legible, and with its simplicity that its principles may be mastered in a few weeks, without the aid of a teacher.

"I love it for its beauty, philosophy, and its eminent practical utility." — Rev. T. H. Havensman.

"Had this art been known fifty centuries ago it would have saved me twenty years of hard labor."

— THOMAS HAVESMAN.

AMERICAN COLLATERAL MATERIAL

- 900 **AMERICAN COLLATERAL:** A very interesting collection of old letters, devoted to a large extent to Ohio politics from the 1820's to the 1850's. They are contained in a large envelope with a few file folders and there are a number of pieces of Jacksoniana, including a letter to Mrs. Jackson on the occasion of his election as President. There are letters signed by Hon. Roger B. Taney, Levi Woodbury, Richard Johnson, Amos Kendall, Henry Clay; also various Congressmen, Senators, Governors, etc. Many are folded letters, free-franked; some have postage paid. Most have been carefully "silked" to prevent splitting. A very unusual lot of approximately 50 letters and of particular interest to students of Ohio politics. Mixed condition but the important items have been preserved by the above-mentioned "silking" **E. X**
- 901 **AMERICAN COLLATERAL:** An extensive accumulation contained in several file folders and a large scrap-book. Contains, letters, documents, including three very old indentures on parchment(appear to be English): Also old newspapers, clippings, photographs, receipts, checks, bills of exchange, in fact, just about every kind of business papers used in this country. Virtually all is 19th Century and much of it before the Civil War. There is so much material and of such wide range that it is quite impossible to detail it more precisely. There is much fascinating material and many hours of pleasure and interest will be derived from its careful examination. There are several hundred pieces and quality is very mixed, as may be supposed, but it should prove a most adventurous lot with a real possibility of unearthing some pieces of importance **E. IX**

CIVIL WAR LETTERS OF HISTORIC IMPORTANCE

- 1230 **Howell Cobb, Maj. Gen., C. S. A.** Signature on important military order headed Macon, Ga., April 21st, 1865 (one week after the Lincoln assassination). The order reads: "Brig. Gen. W. S. Wofford, Comdg., etc. Gen.: I have the honor to inform you that an armistice has been agreed upon by Gen's. Sherman & Johnson & that all military operations have ceased for the present & will not be resumed except on forty eight hours notice. In my opinion they will not be resumed at all. (Signed) Howell Cobb. Endorsed "U. S. Troops will observe", and formal military subscripts. Very minor aging and in fine state of preservation. One of the most significant Civil War military orders we have ever handled **E. X**

- 1231 **Headquarters, Army of the West, Priceville, June 24, 1862, Handwritten Special Order assembling a General Court Martial for Prisoners of War. Signatures & endorsements of Senior Officers, Fine Military Piece** **E. III**
- 1232 ☒ **3c Rose (65). Tied by Negative Anchor, "Old Point Comfort, Va." pmk. on U. S. Christian Commission Soldier's Letter; slightly obscene docketing, Fine, Unusual & Interesting** **E. IV**
- 1233 ☒ **3c Rose (65). Bent corner, perfs. touch. Tied by target on U. S. Christian Commission cover with significant letter on Christian Commission stationery. The letter denies any connection with the American Union Commission operating out of Richmond, Va., and specifically denies any connection between the Christian Commission & General Robert E. Lee. Very Fine historic piece** **E. V**
- 1234 **3c Rose (65). Defective pair on torn cover, tied by "Old Point Comfort, Va., Aug. 8, 1862 pmk. Contains one of the most significant Civil War letters extant. It is from a Army nurse on the U. S. S. Kennebec, one of the hospital ships operating out of Norfolk & Annapolis. The letter goes into great detail on military and naval actions in the James & Potomac River area; of particular interest is a personal visit to the "Monitor" after her famous engagement with the "Merrimac" describing the minimal damage done by Confederate shelling. Of almost equal interest is a description of the medical corps in taking care of the wounded and transporting them to hospitals. The letter, on six neatly written pages, resembles a dairy of events, day by day; it describes a meeting with Gen. McClellan, a visit; probably under Flag of Truce, of C. S. A. Officers. It also goes into much detail regarding troop movements. This is one of the truly great Civil War letters and is historically of inestimable value, so that we hesitate to put an estimate on it** —
- 1235 ☒ **Four covers, with five 1862 letters, from the Army Nurse who wrote Lot No. 1234. Written legibly & lucidly, she gives a first-hand account of her duties and the reactions of wounded soldiers under her care. All of Great Historic interest** **E. V**
- 1236 ☒ **Confederate Soldiers' Letters & Handstamp "Paid", Accumulation of 26, mostly Soldiers' Letters with "Due 10" some from one correspondence with duplication, one Univ. of Va. with "5" altered to "10" in ms., mostly Fine** **E. IX**

CIVIL WAR COLLATERAL

- 1237 **CIVIL WAR OFFICER PHOTOGRAPHS: An extensive collection of 115 old photos in three special brass-bound photo albums, two of hand-tooled leather. There are several photos of Abraham Lincoln and his family, including pictures of his children. There are also two Lincoln autographs on slips of paper. The other photos are of Civil War Generals and senior officers, incl. Col. Ellsworth. One of C. S. A. officer is in the collection, Gen. Thomas Jonathan Jackson ("Stonewall"). There are also a few senior Naval Officer's pictures. A very few are not identified but every famous general is represented. The leather-bound albums are in fine condition, the cloth-bound is slightly split at the back. It is difficult to find words to do justice to this marvelous collection of actual photos of military heroes of the Civil War. It offers an unprecedented opportunity for enrichment of a collection of Civil War material, philatelic or otherwise** **E. XIII**
- 1238 **Civil War Collateral, 23 pieces, mainly receipts for purchase of food for a Maine Artillery Co., also some military orders, printed & written, supply inventories, etc. Also includes an 1862 Masonic Lodge certificate. Very interesting lot** **E. V**
