## Information for Bidders

### Bidding

The following means are available for placing bids:

- 1) Attending the Live Auction in Person:** All bidders must register for a paddle, and new bidders must provide references at least three business days in advance of the sale.
- 2) Live Internet Bidding:** Instructions for participating as a Live Internet Bidder are provided on the page opposite.
- 3) Phone Bidding:** Bidders can be connected to the sale by phone and bid through a member of staff. Requests for phone bidding are subject to approval (please contact our office at least 24 hours before the sale). A signed Bid Form is required.
- 4) Absentee Bids.** All bids received in advance of the sale, either by mail, fax, phone, e-mail or internet, are Absentee Bids, which instruct the auctioneer to bid up to a specific amount on one or more lots in the sale. Absentee Bids sent by phone, fax or e-mail should arrive at least one hour prior to the start of the sale session. Bids entered through Live Internet Bidding will be visible to the auctioneer during the sale. Written bids should be entered legibly on the Bid Form in the sale catalogue. E-mail and internet bids should be carefully typed and double-checked. All new bidders must provide references. We recommend calling or e-mailing to confirm that Absentee Bids sent by mail, fax or e-mail have been received and entered.

### Pre-Sale Viewing

Subject to availability, certain lots (except group lots) can be sent to known clients for examination. Requests must be made no later than 7 days prior to the sale. Lots must be returned on the day received. Postage/insurance costs will be invoiced.

In addition to regular viewing, clients may view lots by appointment. Our staff will be pleased to answer questions or provide additional information about lots.

### Expert Certification

Individual items offered without a current certificate (PF dated within the past five years of sale; PSE dated January 2004 or later) may be purchased subject to independent certification of genuineness and our description. **Please refer to the Conditions of Sale and Grading Terms for policies governing certification.**

### Shipping and Delivery

Procedures and charges for shipping lots are printed on the back of the Bid Form. **Bidders are responsible for all prescribed shipping charges and any applicable sales tax or customs duties.**

### Price Realized

Prices realized are sent with each invoice. Bidders with e-mail will receive a Bid Results report after the sale. Session results are posted immediately to **siegelauctions.com**

# Live Internet Bidding at Siegel Auctions

## BIDDING FROM YOUR COMPUTER LETS YOU BE PART OF THE LIVE AUCTION FROM ANYWHERE IN THE WORLD!

There's NO SUBSTITUTE for following the auction in real time.  
Live Internet Bidding lets you bid and buy as though you were right there in the saleroom.  
And it's easy.

**This step-by-step guide will instruct you how to register, set your browser and use the bidding interface.**

Start by following the simple steps to become a registered Live Internet Bidder.  
Once you've been approved for bidding, you can listen to the auction and place bids with the click of a mouse.

### Registering with STAMP AUCTION NETWORK & SIEGEL AUCTION GALLERIES

Live Internet Bidding is managed by Stamp Auction Network (SAN).  
To bid, you must be registered and approved by *both* SAN and Siegel.  
To decide what you need to do, choose the description below that best fits you.

I've already registered with SAN and have been approved by Siegel for internet bidding.

Live Internet Bidding works by allowing registered bidders to observe and place bids.

Live Internet Bidding will work with any browser on both PC and Mac operating systems.

Before bidding by internet for the first time, we recommend finding a sale in progress and listening to the public broadcast or logging in as a registered bidder. This will help you develop a feel for the sale tempo and bidding interface.

I'm a Siegel client, but I'm not registered with SAN.  
Go to [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel) and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form, indicating you are a Siegel client. Once registered at SAN, you're ready for internet bidding.

### Log on to the auction at [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel).

You can also log on at [siegelauctions.com](http://siegelauctions.com)

When you're logged on as a Live Internet Bidder, the bidding interface shows a photo and description of the lot, the current bid (and your bidding status), options for placing competitive bids and buttons with bid increments.

- After you click on a bid amount, the auctioneer is immediately notified of your bid.
- Retracting a bid is usually not acceptable, so please bid carefully.
- If you bid and then decide to stop, the "Pass" button will tell the auctioneer you are no longer bidding.
- You can send messages to the auctioneer (for example, a request for extension).
- You can track prior realizations from the bidding screen.

I've bid through SAN before, but this is the first time I've bid in a Siegel sale.  
Then you just need to be approved by Siegel. Go to [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel) and click on "Update Registration" at the top. Your SAN account information will be sent to us for approval (you might be asked for other trade references). Once approved by Siegel for bidding, you're ready for internet bidding.

I've never bid with Siegel, nor registered with SAN.  
Go to [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel) and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form **with your trade references** (please, no family members or credit card companies as references). Once registered at SAN and approved by Siegel for bidding, you're ready for internet bidding.

"System Down" or "Lost Connection" events do occasionally happen.

If you have any problems with Live Internet Bidding please call 212-753-6421 for immediate assistance.

## Conditions of Sale (please read carefully before bidding)

The property described in this catalogue will be offered at public auction by Robert A. Siegel Auction Galleries, Inc. ("Galleries") on behalf of various consignors and itself or affiliated companies. By bidding on any lot, whether directly or by or through an agent, in person, or by telephone, facsimile or any other means, the bidder acknowledges and agrees to all of the following Conditions of Sale.

1. The highest bidder acknowledged by the auctioneer shall be the buyer. The term "final bid" means the last bid acknowledged by the auctioneer, which is normally the highest bid offered. **The purchase price payable by the buyer will be the sum of the final bid and a commission of 15% of the final bid ("buyer's premium"), together with any sales tax, use tax or customs duties due on the sale.**

2. The auctioneer has the right to reject any bid, to advance the bidding at his discretion and, in the event of a dispute between bidders, to determine the successful bidder, to continue the bidding or to reoffer and resell the lot in dispute. The Galleries' record of the final sale shall be conclusive.

3. All bids are per numbered lot in the catalogue unless otherwise announced by the auctioneer at the time of sale. The right is reserved to group two or more lots, to withdraw any lot or lots from the sale, or to act on behalf of the seller. The Galleries will execute bidding instructions on behalf of clients, but will not be responsible for the failure to execute such bids or for any errors in the execution of such bids.

4. **Lots with numbers followed by the symbol ° are offered subject to a confidential minimum bid ("reserve"), below which the lot will not be sold. The absence of the symbol ° means that the lot is offered without a reserve. If there is no reserve, the auctioneer has sole discretion to establish a minimum opening bid and may refuse an offer of less than half of the published estimate. Any lot that does not reach its reserve or opening bid requested by the auctioneer will be announced as "passed" and excluded from the prices realized lists after the sale. The Galleries may have a direct or indirect ownership interest in any or all lots in the sale resulting from an advance of monies or goods-in-trade or a guarantee of minimum net proceeds made by the Galleries to the seller.**

5. Subject to the exclusions listed in 5(A), the Galleries will accept the return of lots which have been misidentified or which have obvious faults that were present when the lot was in the Galleries' custody, but not so noted in the lot description. **All disputed lots must be received by the Galleries intact with the original packing material within 5 days of delivery to the buyer but no later than 30 days from the sale date. (5A) EXCLUSIONS:** The following lots may not be returned for any reason: lots containing 10 or more items; lots from buyers who registered for the pre-sale exhibition or received lots by postal viewing, thereby having had the opportunity to inspect them before the sale; any lot described with "faults," "defects" or a specific fault may not be returned because of any secondary fault. Photographed lots may not be returned because of centering, margins, short/nibbed perforations or other factors shown in the illustrations. Lots may not be returned for any of the following reasons: the color of the item does not match the color reproduction in the sale catalogue or website listing; the description contains inaccurate information about the quantity known or reported; or a certification service grades a stamp lower than the grade stated in the description.

6. Successful bidders, unless they have established credit with the Galleries prior to the sale, must make payment in full before the lots will be delivered. Buyers not known to the Galleries must make payment in full within 3 days from the date of sale. **The Galleries retains the right to demand a cash deposit from anyone prior to bidder registration and/or to demand payment at the time the lot is knocked down to the highest bidder, for any reason whatsoever.** In the event that any buyer refuses or fails to make payment in cash

for any lot at the time it is knocked down to him, the auctioneer reserves the right to reoffer the lot immediately for sale to the highest bidder. **Credit cards are not accepted as payment.**

7. If the purchase price has not been paid within the time limit specified above, nor lots taken up within 7 days from the date of sale, the lots will be resold by whatever means deemed appropriate by the Galleries, and any loss incurred from resale will be charged to the defaulting buyer. Any account more than 30 days in arrears will be subject to a late payment charge of 1½% per month as long as the account remains in arrears. Any expenses incurred in securing payment from delinquent accounts will be charged to the defaulter. A fee of \$250.00 per check will be charged for each check returned for insufficient funds.

8. All lots are sold as genuine. **Any lot accompanied by a certificate issued by The Philatelic Foundation within 5 years of the sale date or by Professional Stamp Experts since January 2004 is sold "as is" and in accordance with the description on the certificate. Such lots may not be returned for any reason, including but not limited to a contrary certificate of opinion.** Buyers who wish to obtain a certificate for any item that does not have a P.F. or P.S.E. certificate (dated as above) may do so, provided that the following conditions are met: (1) the purchase price must be paid in full, (2) the item must be submitted to an acceptable expertizing committee with a properly executed application form within 21 days of the sale, (3) a copy of the application form must be given to the Galleries, (4) in the event that an adverse opinion is received, the Galleries retain the right to resubmit the item on the buyer's behalf for reconsideration, without time limit or other restrictions, (5) unless written notification to the contrary is received, items submitted for certification will be considered cleared 90 days from the date of sale, and (6) in the event any item is determined to be "not as described", the buyer will be refunded the purchase price and the certification fee up to \$600.00 unless otherwise agreed.

9. Until paid for in full, all lots remain the property of the Galleries on behalf of the seller.

10. Agents executing bids on behalf of clients will be held responsible for all purchases made on behalf of clients unless otherwise arranged prior to the sale.

11. The buyer assumes all risk for delivery of purchased lots and agrees to pay for prescribed shipping costs. Buyers outside the U.S. are responsible for all customs duties.

12. **The bidder consents that any action or proceeding against it may be commenced and maintained in any court within the State of New York or in the United States District Court for the Southern District of New York, that the courts of the State of New York and United States District Court for the Southern District of New York shall have jurisdiction with respect to the subject matter hereof and the person of the bidder. The bidder agrees not to assert any defense to any action or proceeding initiated by Galleries based upon improper venue or inconvenient forum. The bidder agrees that any action brought by the bidder shall be commenced and maintained only in a Federal Court in the United States District Court for the Southern District of New York or the State Court in the county in which Galleries has its principal place of business in New York. These Terms and Conditions shall be governed by and construed in accordance with the substantive laws of the State of New York.**

## Grades, Abbreviations and Values Used in Descriptions

### Grades and Centering

Our descriptions contain detailed information and observations about each item's condition. We have also assigned grades to stamps and covers, which reflect our subjective assessment. For stamps, the margin width, centering and gum are described and graded according to generally-accepted standards (an approximate correlation to numeric grades is provided at right). Although we believe our grades are accurate, they are not always exactly aligned with third-party grading terms or standards for all issues. **A lot may not be returned because a certification service grades a stamp lower than the grade stated in the description. Information from the P.S.E. Stamp Market Quarterly and P.S.E. Population Report<sup>SM</sup> is the most current available, but lots may not be returned due to errors or changes in statistics or data.**

**Extremely Fine Gem (90-100):** The term "Gem" describes condition that is the finest possible for the issue. This term is equivalent to "Superb" used by grading services.

**Extremely Fine (80-90):** Exceptionally large/wide margins or near perfect centering.

**Very Fine (70-85):** Normal-size margins for the issue and well-centered with the design a bit closer to one side. "Very Fine and choice" applies to stamps that have desirable traits such as rich color, sharp impression, freshness or clarity of cancel.

**Fine (60-70):** Smaller than usual margins or noticeably off center. Pre-1890 issues may have the design touched in places.

**Very Good (below 60):** Attractive appearance, but margins or perforations cut into the design.

### Covers

Minor nicks, short edge tears, flap tears and slight reduction at one side are normal conditions for 19th century envelopes. Folded letters should be expected to have at least one file fold. Light cleaning of covers and small mends along the edges are accepted forms of conservation. Unusual covers may have a common stamp with a slight crease or tiny tear. **These flaws exist in virtually all 19th century covers and are not always described. They are not grounds for return.**

### Catalogue Values and Estimates

Unless otherwise noted, the currently available *Scott Catalogue* values are quoted in dollars with a decimal point. Other catalogues are often used for foreign countries or specialized areas and are referred to by their common name: *Stanley Gibbons* (SG), *Dietz*, *American Air Mail Catalogue* (AAMC), *Michel*, *Zumstein*, *Facit*, etc. Estimates are indicated with an "E." and reflect our conservative valuation in dollars. Reserves will never exceed the low end of the estimate range; they will sometimes exceed Scott Catalogue value for stamps in Extremely Fine condition.

Because of certain pricing inconsistencies in the *Scott Catalogue*—for example, blocks that have no gum, the absence of premiums for Mint N.H. items, etc.—we cannot guarantee the accuracy of values quoted for multiples, specialized items and collection lots. We generally try to be conservative, but buyers may not return a lot because of a discrepancy in catalogue value due to Scott pricing inconsistencies.

5117

- 5117 **1c Blue, Ty. Ib (5A).** Position 6R1E, large margins all around incl. part of adjoining stamp at right, brilliant color on crisp paper, bold strike of square grid cancel

EXTREMELY FINE. A STUNNING USED EXAMPLE OF THE RARE 1851 ONE-CENT TYPE Ib FROM PLATE ONE EARLY, FROM ONE OF THE TWO POSITIONS THAT FURNISHED THE BEST TYPE Ib EXAMPLES.

Type Ib was produced only as an imperforate stamp from Plate 1 Early. Six positions on Plate 1E furnished stamps qualifying as Type Ib — Positions 3-6R and 8-9R — distinguished by the complete design at top and nearly complete design at bottom. When first entered on the plate, these six positions (as well as 7R1E) had the complete design at top and bottom. However, unlike 7R, small portions of the bottoms were ironed out when the entries were made below them. Positions 6R and 8R had less of the bottom erased than the other Type Ib positions, and for this reason they are more desirable examples of the type.

With 2009 P.S.E. certificate (XF 90; SMQ \$30,300.00). For Positions 6R1E and 8R1E (the better positions, which catalogue more than 50% higher than other positions in both Scott and SMQ), none has graded higher. This is the highest grade awarded to this position..... 16,000.00

EXTREMELY FINE GEM AND THE ESSENCE OF PERFECTION. THIS IS ONE OF ONLY FOUR EXAMPLES OF THE 3-CENT 1851 ISSUE TO ACHIEVE THE P.S.E. GRADE OF GEM 100 JUMBO.

Many collectors have a tendency to discount how difficult it is to find imperforate classics in such superb condition. The assumption is that there are multiples which can be split to "make" perfect singles. However, one would need a lightly-cancelled block of nine, with no wrinkles or other minor defects, to produce a single such as the one offered here.

Ex Tahoe. 1997 P.F. certificate no longer accompanies. With 2008 P.S.E. certificate (Gem 100 Jumbo; SMQ \$450.00 as 98, unpriced in the higher grades). Only one other example of No. 11 and two of No. 11A have achieved this perfect grade..... 16.00

EXTREMELY FINE GEM. WITHOUT QUESTION ONE OF THE TWO FINEST ORIGINAL-GUM EXAMPLES OF THE 5-CENT 1856 ISSUE. THIS IS ONE OF THE MOST DIFFICULT FACE-DIFFERENT DESIGNS TO OBTAIN IN SUCH SUPERB ORIGINAL-GUM CONDITION.

The 5c stamp was issued in 1856, five years after the 1c, 3c and 12c values and one year after the 10c were issued. It was typically used to pay the 5c shore-to-ship rate for mail sent overseas and also in multiples for the 10c transcontinental or 15c U.S.-French treaty rates.

With the exception of some rare types of the 1c and 10c, such as Scott Nos. 5 and 16, the 5c stamp is the most difficult denomination to obtain with four margins in sound original-gum condition. The spacing between stamps was very narrow, leaving little margin for error when separating the stamps, which explains why so few examples are known with four margins. When other factors such as gum, color and impression are taken into consideration, the rarity and beauty of the stamp offered here may be fully appreciated. The only stamp that rivals this example was in our sale of the Scarsdale collection (Sale 918, lot 9, realized \$57,500 hammer).

Ex Seymour and Whitman. With 1985, 1990 and 2000 P.F. and 2008 P.S.E. certificates (OGph, XF 90; SMQ \$60,000.00). This is the highest grade awarded to date and the only OGph example to achieve this grade (the next highest is VF 80)..... 30,000.00

## END OF SESSION ONE

# Live Internet Bidding at Siegel Auctions

## BIDDING FROM YOUR COMPUTER LETS YOU BE PART OF THE LIVE AUCTION FROM ANYWHERE IN THE WORLD!

There's NO SUBSTITUTE for following the auction in real time.  
Live Internet Bidding lets you bid and buy as though you were right there in the saleroom.  
And it's easy.

**This step-by-step guide will instruct you how to register, set your browser and use the bidding interface.**

Start by following the simple steps to become a registered Live Internet Bidder.  
Once you've been approved for bidding, you can listen to the auction and place bids with the click of a mouse.

### Registering with STAMP AUCTION NETWORK & SIEGEL AUCTION GALLERIES

Live Internet Bidding is managed by Stamp Auction Network (SAN).  
To bid, you must be registered and approved by *both* SAN and Siegel.  
To decide what you need to do, choose the description below that best fits you.

I've already registered with SAN and have been approved by Siegel for internet bidding.

Live Internet Bidding works by allowing registered bidders to observe and place bids.

Live Internet Bidding will work with any browser on both PC and Mac operating systems.

Before bidding by internet for the first time, we recommend finding a sale in progress and listening to the public broadcast or logging in as a registered bidder. This will help you develop a feel for the sale tempo and bidding interface.

I'm a Siegel client, but I'm not registered with SAN.  
Go to [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel) and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form, indicating you are a Siegel client. Once registered at SAN, you're ready for internet bidding.

### Log on to the auction at [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel).

You can also log on at [siegelauctions.com](http://siegelauctions.com)

When you're logged on as a Live Internet Bidder, the bidding interface shows a photo and description of the lot, the current bid (and your bidding status), options for placing competitive bids and buttons with bid increments.

- After you click on a bid amount, the auctioneer is immediately notified of your bid.
- Retracting a bid is usually not acceptable, so please bid carefully.
- If you bid and then decide to stop, the "Pass" button will tell the auctioneer you are no longer bidding.
- You can send messages to the auctioneer (for example, a request for extension).
- You can track prior realizations from the bidding screen.

I've bid through SAN before, but this is the first time I've bid in a Siegel sale.  
Then you just need to be approved by Siegel. Go to [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel) and click on "Update Registration" at the top. Your SAN account information will be sent to us for approval (you might be asked for other trade references). Once approved by Siegel for bidding, you're ready for internet bidding.

I've never bid with Siegel, nor registered with SAN.  
Go to [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel) and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form with **your trade references** (please, no family members or credit card companies as references). Once registered at SAN and approved by Siegel for bidding, you're ready for internet bidding.

"System Down" or "Lost Connection" events do occasionally happen.

If you have any problems with Live Internet Bidding please call 212-753-6421 for immediate assistance.

EXTREMELY FINE GEM. A SPECTACULAR USED EXAMPLE OF THE 1868 90-CENT F GRILL, COMBINING FLAWLESS CENTERING, PERFORATIONS, COLOR AND A PREMIUM CANCEL.

The 90c stamps used to make grilled issues were printed on a thick stock of paper. It is likely that sheets remaining from the pre-grill period were used and that the thinner paper introduced in 1868 had not been used for the 90c value. Two characteristics of 90c F Grill stamps are poorly punched perforations and generally bad centering. This stamp is a remarkable exception. The perfs are much better formed than usual (although they show the genuine characteristics) and the centering is precise. In this stamp there is also the added feature of a striking red cancel.

EXTREMELY FINE GEM. THIS MAGNIFICENT ORIGINAL-GUM EXAMPLE OF THE 10-CENT 1869 PICTORIAL RE-ISSUE HAS BEEN GRADED SUPERB 98 BY P.S.E. — THIS IS THE HIGHEST GRADE AWARDED TO DATE.

The 10c and 30c 1869 Pictorials and their Re-Issues are two of the most difficult designs to obtain in higher grades. Part of the reason for this has to do with their asymmetrical designs, which do not lend themselves easily to precise mathematical centering, which is the basis for numerical grading. For Scott 116, there are two used, one no gum and one original gum graded 98. For Scott No. 121 there are only two in any category graded higher than a 95 (95J used). For Scott 127 there is this stamp and one other with original gum graded 98 (only one other is graded 95J — the rest are 95 or below). Scott 131 has the most, with four original gum, one no gum and two used graded 98.

# Live Internet Bidding at Siegel Auctions

## BIDDING FROM YOUR COMPUTER LETS YOU BE PART OF THE LIVE AUCTION FROM ANYWHERE IN THE WORLD!

There's NO SUBSTITUTE for following the auction in real time.  
Live Internet Bidding lets you bid and buy as though you were right there in the saleroom.  
And it's easy.

**This step-by-step guide will instruct you how to register, set your browser and use the bidding interface.**

Start by following the simple steps to become a registered Live Internet Bidder.  
Once you've been approved for bidding, you can listen to the auction and place bids with the click of a mouse.

### Registering with STAMP AUCTION NETWORK & SIEGEL AUCTION GALLERIES

Live Internet Bidding is managed by Stamp Auction Network (SAN).  
To bid, you must be registered and approved by *both* SAN and Siegel.  
To decide what you need to do, choose the description below that best fits you.

I've already registered with SAN and have been approved by Siegel for internet bidding.

Live Internet Bidding works by allowing registered bidders to observe and place bids.

Live Internet Bidding will work with any browser on both PC and Mac operating systems.

Before bidding by internet for the first time, we recommend finding a sale in progress and listening to the public broadcast or logging in as a registered bidder. This will help you develop a feel for the sale tempo and bidding interface.

I'm a Siegel client, but I'm not registered with SAN.  
Go to [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel) and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form, indicating you are a Siegel client. Once registered at SAN, you're ready for internet bidding.

### Log on to the auction at [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel).

You can also log on at [siegelauctions.com](http://siegelauctions.com)

When you're logged on as a Live Internet Bidder, the bidding interface shows a photo and description of the lot, the current bid (and your bidding status), options for placing competitive bids and buttons with bid increments.

- After you click on a bid amount, the auctioneer is immediately notified of your bid.
- Retracting a bid is usually not acceptable, so please bid carefully.
- If you bid and then decide to stop, the "Pass" button will tell the auctioneer you are no longer bidding.
- You can send messages to the auctioneer (for example, a request for extension).

FINE AND RARE. A DESIRABLE ORIGINAL-GUM BLOCK OF FOUR OF THE 1870 NATIONAL BANK NOTE ISSUE, COMBINING TWO STAMPS WITH AN OBVIOUS GRILL AND TWO STAMPS COMPLETELY LACKING A GRILL.

It has been surmised that sometimes more than one sheet was fed into the grilling machine at a time, resulting in weak or missing grill points. The grill on the right stamps is centered to the far right and this would have been a split grill, but it may also come from the far left row of the sheet, and the left stamps missed the grill due to misalignment.

With 2004 P.F. certificate. Scott Retail as pair of No. 134 and pair of No. 145 with no premium for the variety of a multiple containing one with and one without grill..... 6,300.00

EXTREMELY FINE. A BEAUTIFUL ORIGINAL-GUM EXAMPLE OF THE 1870 15-CENT UNGRILLED NATIONAL BANK NOTE ISSUE.

The 15c 1870 National Grilled Issue (Scott 141) is widely recognized as an extremely rare stamp in choice original-gum condition. Less well known is the fact that its ungrilled counterpart — Scott 152 — is comparably challenging to find in such condition. # Live Internet Bidding at Siegel Auctions

## BIDDING FROM YOUR COMPUTER LETS YOU BE PART OF THE LIVE AUCTION FROM ANYWHERE IN THE WORLD!

There's NO SUBSTITUTE for following the auction in real time.  
Live Internet Bidding lets you bid and buy as though you were right there in the saleroom.  
And it's easy.

**This step-by-step guide will instruct you how to register, set your browser and use the bidding interface.**

Start by following the simple steps to become a registered Live Internet Bidder.  
Once you've been approved for bidding, you can listen to the auction and place bids with the click of a mouse.

### Registering with STAMP AUCTION NETWORK & SIEGEL AUCTION GALLERIES

Live Internet Bidding is managed by Stamp Auction Network (SAN).  
To bid, you must be registered and approved by *both* SAN and Siegel.  
To decide what you need to do, choose the description below that best fits you.

I've already registered with SAN and have been approved by Siegel for internet bidding.

Live Internet Bidding works by allowing registered bidders to observe and place bids.

Live Internet Bidding will work with any browser on both PC and Mac operating systems.

Before bidding by internet for the first time, we recommend finding a sale in progress and listening to the public broadcast or logging in as a registered bidder. This will help you develop a feel for the sale tempo and bidding interface.

I'm a Siegel client, but I'm not registered with SAN.

Go to [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel) and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form, indicating you are a Siegel client. Once registered at SAN, you're ready for internet bidding.

### Log on to the auction at [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel).

You can also log on at [siegelauctions.com](http://siegelauctions.com)

When you're logged on as a Live Internet Bidder, the bidding interface shows a photo and description of the lot, the current bid (and your bidding status), options for placing competitive bids and buttons with bid increments.

- After you click on a bid amount, the auctioneer is immediately notified of your bid.
- Retracting a bid is usually not acceptable, so please bid carefully.
- If you bid and then decide to stop, the "Pass" button will tell the auctioneer you are no longer bidding.
- You can send messages to the auctioneer (for example, a request for extension).
- You can track prior realizations from the bidding screen.

I've bid through SAN before, but this is the first time I've bid in a Siegel sale.

Then you just need to be approved by Siegel. Go to [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel) and click on "Update Registration" at the top. Your SAN account information will be sent to us for approval (you might be asked for other trade references). Once approved by Siegel for bidding, you're ready for internet bidding.

I've never bid with Siegel, nor registered with SAN.

Go to [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel) and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form **with your trade references** (please, no family members or credit card companies as references). Once registered at SAN and approved by Siegel for bidding, you're ready for internet bidding.

"System Down" or "Lost Connection" events do occasionally happen.

If you have any problems with Live Internet Bidding please call 212-753-6421 for immediate assistance.

FINE-VERY FINE APPEARANCE. AN ATTRACTIVE ORIGINAL-GUM EXAMPLE OF THE 2-CENT PAN-AMERICAN INVERT.

The 2c is the rarest of the three Pan-American Inverts. It is surmised that approximately 200 were issued through the post office, with two distinct shades known. Our Levi records contain the intact block (4), reconstructed block (4), 64 unused singles and 6 used singles, for a total of 72 unused and 6 used. Many of the unused singles have disturbed gum or no gum, and/or are off center to top or top left.

Signed "CJP" (Charles J. Phillips). With 1999 P.F. certificate. Scott footnote states "Almost all unused copies of No. 295a have partial or disturbed gum. Values are for examples with full original gum that is slightly disturbed." ..... 55,000.00

VERY FINE APPEARING EXAMPLE OF THE 4-CENT PAN-AMERICAN INVERT.

The 4c Pan-American Invert was a special printing and not regularly issued. Examples were distributed through two official channels, and the gum on the majority of stamps without "Specimen" overprint was disturbed due to its removal from mounting paper. In fact, many of these stamps are thinned or have seriously disturbed gum.

Our recently-completed census of Scott 314A incorporates the records of the Philatelic Foundation, the Levi records (which represents over 40 years of auction sales) and our own computerized sales history. The census reveals a startling fact — there are only 31 used singles (two on piece), a used strip of three and three covers (one of which contains a strip of three), for a total of 39 used stamps. FINE. A RARE SOUND EXAMPLE OF THE 2-CENT HARDING ROTARY PERF 11, WHICH IS ONE OF THE RAREST OF ALL 20TH CENTURY ISSUES.

Our census of the 2c Harding Rotary Perf 11 (as published in our Zoellner sale catalogue and updated at our website at [www.siegelauctions.com/dynamic/census/613/613.pdf](http://www.siegelauctions.com/dynamic/census/613/613.pdf)) records 43 used singles (one faintly cancelled, if at all), one used pair and the recently-discovered used strip of three. Of the singles, approximately 30 are sound.

The 2c Harding Rotary Perf 11 stamp was discovered in 1938 by Leslie Lewis of the New York firm, Stanley Gibbons Inc. Gary Griffith presents his hypothesis in *United States Stamps 1922-26* that rotary-printed sheets of 400 were first reduced to panes of 100 and then fed through the 11-gauge perforating machine normally used for flat plate sheets. This method distinguishes sheet-waste stamps — Scott 544, 596 and 613 — from the coil-waste stamps and explains the existence of a straight-edge on Scott 613.

## The William Falberg Collection of U.S. and Possessions Postal Cards

At the APS Richmond Stamp Show in August, the United Postal Stationery Society issued its 2010 edition of the United States Postal Card Catalog. This welcome new edition, five years in the making, greatly expanded on the 2005 catalog, both in content and size. The timing of the catalog was fortuitous, as it coincides with the Siegel Firm's offering of the outstanding William Falberg collection of U.S. and Possessions Postal Cards. The presentation of this collection, along with the new catalog, will afford collectors a wonderful opportunity to better understand this fascinating field, and to add outstanding examples of most of the significant items.

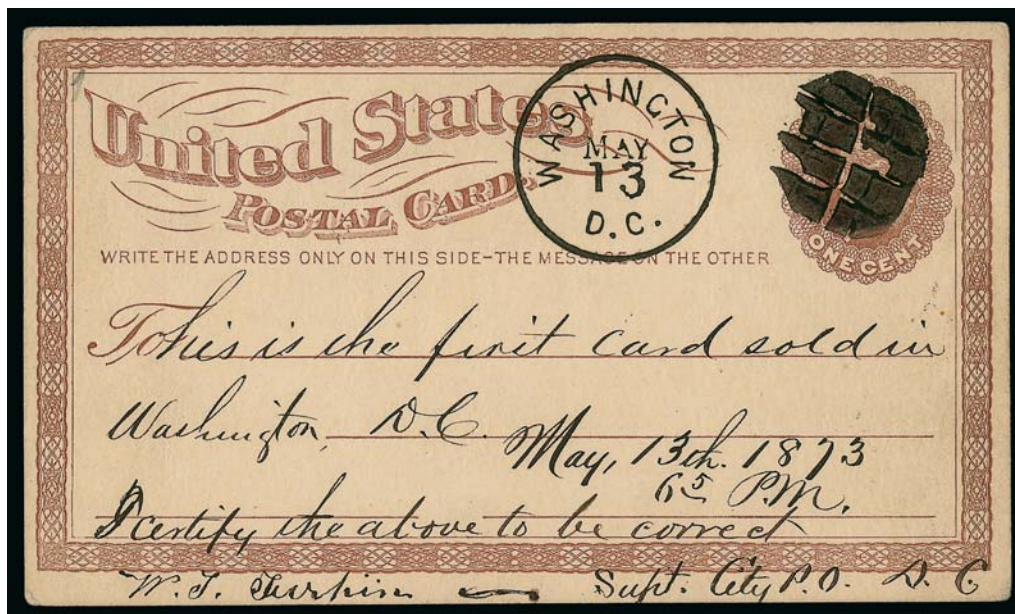

The Falberg collection is remarkable in many respects. It abounds with rare issues, some of which we will highlight here, but the most important overriding theme of the collection is condition. Collectors will find that nearly every item, almost without exception, is in the finest condition attainable. Crisp Mint examples are the norm, with sound paper and sharp corners. The Message-Reply cards are almost uniformly un-folded. Where faults can be found on the rarest items, generally the population does not contain a completely sound example. Condition was paramount in selecting examples to add to the collection. Even rare items that Mr. Falberg desired were passed over if they did not satisfy his criteria.

The collection is organized by Scott Catalog and USPOCC number, with the Regular Issue Single Postal Cards, followed by Paid-Reply Cards, Air Post, Officials, Expositions and Possessions. Far beyond a Scott/USPOCC number-by-number study, the collection was built to feature the unusual sub-varieties, specimens, surcharges and errors that are most prized by collectors. Highlights are numerous. Just a few of the better items among the Regular Issues include a Washington D.C. First Day card (UX1, lot 6365), the "USPOD" Small Watermark (UX4, lot 6373), Double Impressions, One Inverted (UX10a, lot 6385 and UX14a, lot 6397), Full-Face McKinley Card proofs, specimens and Mint, both with and without the pre-printed address (UX17, lots 6402-6411) and the 1c on 2c Die 2 Washington surcharge (UX31, lot 6435). In addition to the McKinley card, the other two iconic rarities of the hobby are also present in the sale: the Die 2 Gray-Rough Surfaced Card (UX27D, lot 6431) and the 1c surcharged Long Beach "Library Card", of which only three examples are known (UX36, lot 6440).

Beyond the Regular Issue Postal Cards, the collection contains an outstanding group of Exposition Cards, including a choice complete "Set 11" of the Columbian Exposition Cards (lot 3535), a rare "Puck" design Columbian set with the torches in brown instead of blue (lot 6532) and a beautiful Mint set of the Trans-Mississippi cards (lot 6536). Finally, the collection boasts the finest group of U.S. Possessions Cards we have handled with numerous rare and choice items from the Canal Zone and the Philippines.

This is the most important collection of its kind to be offered since the Beachboard and Floyd collections, and is a testament to the man who built it — a man well known to most in the field for his tireless efforts as editor or author of several UPSS books and catalogs. After many decades of careful search and disciplined acquisition, the collection is now virtually complete, and Mr. Falberg has decided that it is time to pass on the material to a new generation of philatelists.

VERY FINE AND CHOICE EXAMPLE OF THE ONE-CENT BLACK FULL-FACE McKINLEY POSTAL CARD. EXTREMELY RARE WITHOUT THE PRINTED ADDRESS AND ONE OF THE HIGHLIGHTS OF THE FALBERG COLLECTION

As an indication of rarity, the Scott Catalogue prices the card without printed address at \$9,000.00, versus \$3,500.00 with the printed address. The entire stock of 500 cards was inadvertently sent from Washington to Booth, Dailey & Ivins in New York where they were shortly thereafter pre-printed with their address and garbage dumping information on the back to be filled out by the tug captain. As a result of the printing there remained no Mint cards for collectors. This "Unmarked Specimen" long ago became accepted as a full mint card in order to allow collectors to have a complete unused collection. Albert Daggett, the contractor for the printing of the Full Face card, was never able to satisfy the Post Office in Washington due to sub-standard quality of his productions. All submitted samples were rejected and as a result the entire stock of 1,625,000 cards was ordered destroyed by the PMG on April 29, 1902.

Most were supplied to printers for application of printed addresses. However, a small quantity is believed to have been issued at the Hagerstown Md. post office.

EXTREMELY FINE. ONE OF ONLY THREE CONFIRMED EXAMPLES OF THIS GREAT POSTAL CARD RARITY. ONE OF THE MOST IMPORTANT RARITIES OF POSTAL CARD COLLECTING.

According to an article in *Postal Stationery*, the surcharging was done in order to provide for cards for the new 1c postal card rate, which was lowered from 2c after World War I. This particular card was revalued at the Los Angeles post office.

Four cards have been reported, but only three have been confirmed. Two have notices from the Long Beach Library. One has a notice regarding an Elks Club Christmas party. The fourth unconfirmed example is also supposed to have an Elks Club notice, but has not been seen in over 80 years and may be lost to philately.

The card offered here was discovered in 1992 by an auction describer for a firm no longer in business. From our 2006 Rarities of the World Sale where it realized \$50,000. The last "Library Card" sold privately is reported to have cost approximately \$75,000.

# Live Internet Bidding at Siegel Auctions

## BIDDING FROM YOUR COMPUTER LETS YOU BE PART OF THE LIVE AUCTION FROM ANYWHERE IN THE WORLD!

There's NO SUBSTITUTE for following the auction in real time.  
Live Internet Bidding lets you bid and buy as though you were right there in the saleroom.  
And it's easy.

**This step-by-step guide will instruct you how to register, set your browser and use the bidding interface.**

Start by following the simple steps to become a registered Live Internet Bidder.  
Once you've been approved for bidding, you can listen to the auction and place bids with the click of a mouse.

### Registering with STAMP AUCTION NETWORK & SIEGEL AUCTION GALLERIES

Live Internet Bidding is managed by Stamp Auction Network (SAN).  
To bid, you must be registered and approved by *both* SAN and Siegel.  
To decide what you need to do, choose the description below that best fits you.

**I've already registered with SAN and have been approved by Siegel for internet bidding.**

Live Internet Bidding works by allowing registered bidders to observe and place bids.

Live Internet Bidding will work with any browser on both PC and Mac operating systems.

Before bidding by internet for the first time, we recommend finding a sale in progress and listening to the public broadcast or logging in as a registered bidder. This will help you develop a feel for the sale tempo and bidding interface.

**I'm a Siegel client, but I'm not registered with SAN.**  
Go to [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel) and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form, indicating you are a Siegel client. Once registered at SAN, you're ready for internet bidding.

**I've bid through SAN before, but this is the first time I've bid in a Siegel sale.**  
Then you just need to be approved by Siegel. Go to [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel) and click on "Update Registration" at the top. Your SAN account information will be sent to us for approval (you might be asked for other trade references). Once approved by Siegel for bidding, you're ready for internet bidding.

**I've never bid with Siegel, nor registered with SAN.**  
Go to [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel) and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form **with your trade references** (please, no family members or credit card companies as references). Once registered at SAN and approved by Siegel for bidding, you're ready for internet bidding.

### Log on to the auction at [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel).

You can also log on at [siegelauctions.com](http://siegelauctions.com)

When you're logged on as a Live Internet Bidder, the bidding interface shows a photo and description of the lot, the current bid (and your bidding status), options for placing competitive bids and buttons with bid increments.

- After you click on a bid amount, the auctioneer is immediately notified of your bid.
- Retracting a bid is usually not acceptable, so please bid carefully.
- If you bid and then decide to stop, the "Pass" button will tell the auctioneer you are no longer bidding.
- You can send messages to the auctioneer (for example, a request for extension).
- You can track prior realizations from the bidding screen.

**"System Down" or "Lost Connection"** events do occasionally happen.

If you have any problems with Live Internet Bidding please call 212-753-6421 for immediate assistance.

## Shipping and Transit Insurance

We will be pleased to arrange for shipping and transit insurance for purchases in this sale (except those described as “floor sale only”). To expedite billing and delivery of lots to hundreds of buyers per sale, we use standard charges for postage and insurance, based on the package weight and mailing requirements (see schedule). The standard charges are sometimes slightly more or less than the actual postage or Fedex fees, but we do not include any charge for our labor or packing costs. Therefore, we ask all buyers to remit the prescribed amount for shipping charges.

Transit insurance is provided in all cases, except when the buyer has furnished us with proof that insurance coverage is effective under another policy. Proof, in such cases, will be accepted in the form of a written certificate from the insurance carrier.

You are responsible for insurance charges, which will be added to your invoice. This coverage is provided for our mutual protection against theft or loss in transit.

## Bidding Increments

The auctioneer may regulate the bidding at his discretion. However, to assist absentee bidders in establishing their maximum bid for each lot, the increments shown at right will be used in most cases. We recommend that written bids conform to these increments (those which do not will be reduced to the next level).

## REVISED CHARGES FOR SHIPPING EFFECTIVE SEPTEMBER 1, 2010
