The following means are available for placing bids:

- 1) Attending the Live Auction in Person:** All bidders must register for a paddle, and new bidders must provide references at least three business days in advance of the sale.
- 2) Live Internet Bidding:** Instructions for participating as a Live Internet Bidder are provided on the page opposite.
- 3) Phone Bidding:** Bidders can be connected to the sale by phone and bid through a member of staff. Requests for phone bidding are subject to approval (please contact our office at least 24 hours before the sale). A signed Bid Form is required.
- 4) Absentee Bids.** All bids received in advance of the sale, either by mail, fax, phone, e-mail or internet, are Absentee Bids, which instruct the auctioneer to bid up to a specific amount on one or more lots in the sale. Absentee Bids sent by phone, fax or e-mail should arrive at least one hour prior to the start of the sale session. Bids entered through Live Internet Bidding will be visible to the auctioneer during the sale. Written bids should be entered legibly on the Bid Form in the sale catalogue. E-mail and internet bids should be carefully typed and double-checked. All new bidders must provide references. We recommend calling or e-mailing to confirm that Absentee Bids sent by mail, fax or e-mail have been received and entered.

Pre-Sale Viewing

Subject to availability, certain lots (except group lots) can be sent to known clients for examination. Requests must be made no later than 7 days prior to the sale. Lots must be returned on the day received. Postage/insurance costs will be invoiced.

In addition to regular viewing, clients may view lots by appointment. Our staff will be pleased to answer questions or provide additional information about lots.

Expert Certification

Individual items offered without a current certificate (PF dated within the past five years of sale; PSE dated January 2004 or later) may be purchased subject to independent certification of genuineness and our description. **Please refer to the Conditions of Sale and Grading Terms for policies governing certification.**

Shipping and Delivery

Procedures and charges for shipping lots are printed on the back of the Bid Form. **Bidders are responsible for all prescribed shipping charges and any applicable sales tax or customs duties.**

Live Internet Bidding at Siegel Auctions

BIDDING FROM YOUR COMPUTER LETS YOU BE PART OF THE LIVE AUCTION FROM ANYWHERE IN THE WORLD!

There's NO SUBSTITUTE for following the auction in real time.
Live Internet Bidding lets you bid and buy as though you were right there in the saleroom.
And it's easy.

This step-by-step guide will instruct you how to register, set your browser and use the bidding interface.

Start by following the simple steps to become a registered Live Internet Bidder.
Once you've been approved for bidding, you can listen to the auction and place bids with the click of a mouse.

Registering with STAMP AUCTION NETWORK & SIEGEL AUCTION GALLERIES

Live Internet Bidding is managed by Stamp Auction Network (SAN).
To bid, you must be registered and approved by *both* SAN and Siegel.
To decide what you need to do, choose the description below that best fits you.

I've already registered with SAN and have been approved by Siegel for internet bidding.

I'm a Siegel client, but I'm not registered with SAN.

Go to stampauctionnetwork.com/siegel and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form, indicating you are a Siegel client. Once registered at SAN, you're ready for internet bidding.

I've bid through SAN before, but this is the first time I've bid in a Siegel sale.

Then you just need to be approved by Siegel. Go to stampauctionnetwork.com/siegel and click on "Update Registration" at the top. Your SAN account information will be sent to us for approval (you might be asked for other trade references). Once approved by Siegel for bidding, you're ready for internet bidding.

I've never bid with Siegel, nor registered with SAN.

Go to stampauctionnetwork.com/siegel and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form **with your trade references** (please, no family members or credit card companies as references). Once registered at SAN and approved by Siegel for bidding, you're ready for internet bidding.

Live Internet Bidding works by allowing registered bidders to observe and place bids.

Live Internet Bidding will work with any browser on both PC and Mac operating systems.

Before bidding by internet for the first time, we recommend finding a sale in progress and listening to the public broadcast or logging in as a registered bidder. This will help you develop a feel for the sale tempo and bidding interface.

Log on to the auction at stampauctionnetwork.com/siegel.

You can also log on at siegelauctions.com

When you're logged on as a Live Internet Bidder, the bidding interface shows a photo and description of the lot, the current bid (and your bidding status), options for placing competitive bids and buttons with bid increments.

- After you click on a bid amount, the auctioneer is immediately notified of your bid.
- Retracting a bid is usually not acceptable, so please bid carefully.
- If you bid and then decide to stop, the "Pass" button will tell the auctioneer you are no longer bidding.
- You can send messages to the auctioneer (for example, a request for extension).
- You can track prior realizations from the bidding screen.

"System Down" or "Lost Connection" events do occasionally happen.

If you have any problems with Live Internet Bidding please call 212-753-6421 for immediate assistance.

Conditions of Sale (please read carefully before bidding)

The property described in this catalogue will be offered at public auction by Robert A. Siegel Auction Galleries, Inc. ("Galleries") on behalf of various consignors and itself or affiliated companies. By bidding on any lot, whether directly or by or through an agent, in person, or by telephone, facsimile or any other means, the bidder acknowledges and agrees to all of the following Conditions of Sale.

1. The highest bidder acknowledged by the auctioneer shall be the buyer. The term "final bid" means the last bid acknowledged by the auctioneer, which is normally the highest bid offered. **The purchase price payable by the buyer will be the sum of the final bid and a commission of 15% of the final bid ("buyer's premium"), together with any sales tax, use tax or customs duties due on the sale.**

2. The auctioneer has the right to reject any bid, to advance the bidding at his discretion and, in the event of a dispute between bidders, to determine the successful bidder, to continue the bidding or to reoffer and resell the lot in dispute. The Galleries' record of the final sale shall be conclusive.

3. All bids are per numbered lot in the catalogue unless otherwise announced by the auctioneer at the time of sale. The right is reserved to group two or more lots, to withdraw any lot or lots from the sale, or to act on behalf of the seller. The Galleries will execute bidding instructions on behalf of clients, but will not be responsible for the failure to execute such bids or for any errors in the execution of such bids.

4. **Lots with numbers followed by the symbol ° are offered subject to a confidential minimum bid ("reserve"), below which the lot will not be sold. The absence of the symbol ° means that the lot is offered without a reserve. If there is no reserve, the auctioneer has sole discretion to establish a minimum opening bid and may refuse an offer of less than half of the published estimate. Any lot that does not reach its reserve or opening bid requested by the auctioneer will be announced as "passed" and excluded from the prices realized lists after the sale. The Galleries may have a direct or indirect ownership interest in any or all lots in the sale resulting from an advance of monies or goods-in-trade or a guarantee of minimum net proceeds made by the Galleries to the seller.**

5. Subject to the exclusions listed in 5(A), the Galleries will accept the return of lots which have been misidentified or which have obvious faults that were present when the lot was in the Galleries' custody, but not so noted in the lot description. **All disputed lots must be received by the Galleries intact with the original packing material within 5 days of delivery to the buyer but no later than 30 days from the sale date. (5A) EXCLUSIONS: The following lots may not be returned for any reason: lots containing 10 or more items; lots from buyers who registered for the pre-sale exhibition or received lots by postal viewing, thereby having had the opportunity to inspect them before the sale; any lot described with "faults," "defects" or a specific fault may not be returned because of any secondary fault. Photographed lots may not be returned because of centering, margins, short/nibbed perforations or other factors shown in the illustrations. Lots may not be returned for any of the following reasons: the color of the item does not match the color reproduction in the sale catalogue or website listing; the description contains inaccurate information about the quantity known or reported; or a certification service grades a stamp lower than the grade stated in the description.**

6. Successful bidders, unless they have established credit with the Galleries prior to the sale, must make payment in full before the lots will be delivered. Buyers not known to the Galleries must make payment in full within 3 days from the date of sale. **The Galleries retains the right to demand a cash deposit from anyone prior to bidder registration and/or to demand payment at the time the lot is knocked down to the highest bidder, for any reason whatsoever.** In the event that any buyer refuses or fails to make payment in cash

for any lot at the time it is knocked down to him, the auctioneer reserves the right to reoffer the lot immediately for sale to the highest bidder. **Credit cards are not accepted as payment.**

7. If the purchase price has not been paid within the time limit specified above, nor lots taken up within 7 days from the date of sale, the lots will be resold by whatever means deemed appropriate by the Galleries, and any loss incurred from resale will be charged to the defaulting buyer. Any account more than 30 days in arrears will be subject to a late payment charge of 1½% per month as long as the account remains in arrears. Any expenses incurred in securing payment from delinquent accounts will be charged to the defaulter. A fee of \$250.00 per check will be charged for each check returned for insufficient funds.

8. All lots are sold as genuine. **Any lot accompanied by a certificate issued by The Philatelic Foundation within 5 years of the sale date or by Professional Stamp Experts since January 2004 is sold "as is" and in accordance with the description on the certificate. Such lots may not be returned for any reason, including but not limited to a contrary certificate of opinion.** Buyers who wish to obtain a certificate for any item that does not have a P.F. or P.S.E. certificate (dated as above) may do so, provided that the following conditions are met: (1) the purchase price must be paid in full, (2) the item must be submitted to an acceptable expertizing committee with a properly executed application form within 21 days of the sale, (3) a copy of the application form must be given to the Galleries, (4) in the event that an adverse opinion is received, the Galleries retain the right to resubmit the item on the buyer's behalf for reconsideration, without time limit or other restrictions, (5) unless written notification to the contrary is received, items submitted for certification will be considered cleared 90 days from the date of sale, and (6) in the event any item is determined to be "not as described", the buyer will be refunded the purchase price and the certification fee up to \$600.00 unless otherwise agreed.

9. Until paid for in full, all lots remain the property of the Galleries on behalf of the seller.

10. Agents executing bids on behalf of clients will be held responsible for all purchases made on behalf of clients unless otherwise arranged prior to the sale.

11. The buyer assumes all risk for delivery of purchased lots and agrees to pay for prescribed shipping costs. Buyers outside the U.S. are responsible for all customs duties.

12. **The bidder consents that any action or proceeding against it may be commenced and maintained in any court within the State of New York or in the United States District Court for the Southern District of New York, that the courts of the State of New York and United States District Court for the Southern District of New York shall have jurisdiction with respect to the subject matter hereof and the person of the bidder. The bidder agrees not to assert any defense to any action or proceeding initiated by Galleries based upon improper venue or inconvenient forum. The bidder agrees that any action brought by the bidder shall be commenced and maintained only in a Federal Court in the United States District Court for the Southern District of New York or the State Court in the county in which Galleries has its principal place of business in New York. These Terms and Conditions shall be governed by and construed in accordance with the substantive laws of the State of New York.**

Grades, Abbreviations and Values Used in Descriptions

Grades and Centering

Our descriptions contain detailed information and observations about each item's condition. We have also assigned grades to stamps and covers, which reflect our subjective assessment. For stamps, the margin width, centering and gum are described and graded according to generally-accepted standards (an approximate correlation to numeric grades is provided at right). Although we believe our grades are accurate, they are not always exactly aligned with third-party grading terms or standards for all issues. **A lot may not be returned because a certification service grades a stamp lower than the grade stated in the description. Information from the P.S.E. Stamp Market Quarterly and P.S.E. Population ReportSM is the most current available, but lots may not be returned due to errors or changes in statistics or data.**

Extremely Fine Gem (90-100): The term "Gem" describes condition that is the finest possible for the issue. This term is equivalent to "Superb" used by grading services.

Extremely Fine (80-90): Exceptionally large/wide margins or near perfect centering.

Very Fine (70-85): Normal-size margins for the issue and well-centered with the design a bit closer to one side. "Very Fine and choice" applies to stamps that have desirable traits such as rich color, sharp impression, freshness or clarity of cancel.

Fine (60-70): Smaller than usual margins or noticeably off center. Pre-1890 issues may have the design touched in places.

Very Good (below 60): Attractive appearance, but margins or perforations cut into the design.

PRE-1890 ISSUES	<i>Pre-1890 stamps in these categories trade at a premium over Scott value</i>			Scott Value for "O.G."		Scott "No Gum" Values thru No. 218
1890-1935 ISSUES	Scott "Never Hinged" Values for Nos. 219-771	Scott Value for "O.G." (Actual value will be affected by the degree of hinging)		Disturbed Original Gum: Gum showing noticeable effects of humidity, climate or hinging over more than half of the gum. The significance of gum disturbance in valuing a stamp in any of the Original Gum categories depends on the degree of disturbance, the rarity and normal gum condition of the issue and other variables affecting quality. For example, stamps issued in tropical climates are expected to have some gum disturbance due to humidity, and such condition is not considered a negative factor in pricing.

Covers

Minor nicks, short edge tears, flap tears and slight reduction at one side are normal conditions for 19th century envelopes. Folded letters should be expected to have at least one file fold. Light cleaning of covers and small mends along the edges are accepted forms of conservation. Unusual covers may have a common stamp with a slight crease or tiny tear. **These flaws exist in virtually all 19th century covers and are not always described. They are not grounds for return.**

Catalogue Values and Estimates

Unless otherwise noted, the currently available *Scott Catalogue* values are quoted in dollars with a decimal point. Other catalogues are often used for foreign countries or specialized areas and are referred to by their common name: *Stanley Gibbons* (SG), *Dietz*, *American Air Mail Catalogue* (AAMC), *Michel*, *Zumstein*, *Facit*, etc. Estimates are indicated with an "E." and reflect our conservative valuation in dollars. Reserves will never exceed the low end of the estimate range; they will sometimes exceed Scott Catalogue value for stamps in Extremely Fine condition.

Because of certain pricing inconsistencies in the *Scott Catalogue*—for example, blocks that have no gum, the absence of premiums for Mint N.H. items, etc.—we cannot guarantee the accuracy of values quoted for multiples, specialized items and collection lots. We generally try to be conservative, but buyers may not return a lot because of a discrepancy in catalogue value due to Scott pricing inconsistencies.

POSTMASTERS' PROVISIONALS

2062

- 2062 **Brattleboro Vt., 5c Black on Buff (5X1).** Position 6, large margins to clear incl. **sheet margin at left**, crisp impression, cancelled by both **red numeral "5" and matching "Paid"** handstamps, also with unusual **plate flaw** just to the left of signature, vertical crease, tiny tear at right
- VERY FINE APPEARANCE. A RARE SHEET-MARGIN EXAMPLE OF THE BRATTLEBORO POSTMASTER'S PROVISIONAL. ONLY 32 COIPES ARE RECORDED OFF COVER. THIS EXAMPLE IS ESPECIALLY NOTEWORTHY DUE TO THE PRINTING FLAW AND ALSO THE "PAID" AND "5" RED CANCELLATIONS. A GREAT RARITY.
- A total of 52 Brattleboro provisional stamps are recorded (32 off cover and 20 on 19 covers). Of these, many are faulty due to the softness of the paper. No other example of Position 6 shows the odd black spot of printing ink to the left of the initials, so this flaw must have either developed late in the life of the plate (if, in fact, it is a depression in the engraved plate) or it was the result of foreign matter adhering to the plate.

- 2144 **1c Blue, Ty. V (24).** Horizontal pair with **wide bottom sheet selvage**, original gum, **ruled magenta manuscript lines obliteration**, left stamp some short perfs at top, otherwise Very Fine, some students believe examples of this issue with the ruled invalidation lines were prepared as “salesman’s samples”, interesting and very scarce E. 200-300
- 2145 ★ **1c Blue, Ty. V (24).** Original gum, with **top sheet selvage**, nearly complete stamp connected at right and parts of two others at bottom, magnificently centered, three tiny perf hole erosion spots, otherwise Extremely Fine 150.00

2147 **1c Blue, Ty. V (24).** Position 95R7 from the bottom row, Jumbo perfectly balanced margins, bright color and sharp Plate 7 impression on crisp paper, light strike of circular datestamp

EXTREMELY FINE GEM. A SUPERB EXAMPLE OF THE 1857 ONE-CENT PERFORATED TYPE V. THIS IS THE WIDEST-MARGINED EXAMPLE WE HAVE EVER ENCOUNTERED.

Wide side margins are the norm for 1c Type V stamps printed from Plates 5 and 7 to 10, but the enormous and balanced top and bottom margins on this example are extremely unusual. The stamp was printed from Plate 7, one of the first of the Type V plates and one that produced sharp clear impressions. A few bottom-row stamps from Plates 5 and 7 show wide-spaced horizontal perforations, comparable to the wide-spaced stamps from Plate 4.

With 2010 P.S.E. certificate (XF-Superb 95 Jumbo; SMQ \$435.00 as 95, \$1,400.00 as 98). This is the highest grade awarded to date and is shared by only two others. We frankly believe this is under-graded. In our opinion the grade should be Superb 98 Jumbo, if not Gem 100 Jumbo. Accompanied by the cover from which the stamp originated 40.00

 VERY FINE. A RARE MINT NEVER-HINGED EXAMPLE OF THE \$5.00 COLUMBIAN.
 The number of Mint Never-Hinged examples extant of the \$5.00 Columbian is very small. The rarity of this stamp in such condition is easily explained. For more than a century, collectors have proudly hinged this highest value of the Columbian set in their albums, and the vast majority of stamps have not escaped this fate. Only the break-up of blocks, which are rare themselves and seldom contain Mint N.H. stamps, has provided the small population that exists today.

2485 ★★ **\$2.00 Columbian (242)**. Mint N.H. bottom imprint, plate no. 105 and letter “A A” strip of four, natural horizontal gum bend, vivid color and detailed impression, left stamp particularly choice centering

VERY FINE-EXTREMELY FINE. AN EXCEPTIONALLY RARE MINT NEVER-HINGED IMPRINT AND PLATE NUMBER STRIP OF FOUR OF THE \$4.00 COLUMBIAN ISSUE. THIS IS THE FIRST WE HAVE OFFERED IN OUR SALES SINCE 1993 AND OUR RARITY SALES SINCE 1965.

A Review of Power Search revealed no full imprint or plate no. examples of the \$4.00 Columbian in Mint N.H. condition — in any size. When also considering that the only Mint N.H. examples we have sold since 1993 with any part of the printed selvage were a bottom “A A” single and a block of 20 with part imprint (in 2001), the rarity of this piece becomes even more apparent. The \$2.00 plate number block of eight is believed to be unique; therefore, a strip of four is the only practical means to show the complete imprint and plate number.

Scott Retail for imprint and plate no. strip of four is \$8,500.00. Scott Retail for four Mint N.H. singles, with no premium for the position 16,000.00

SESSION THREE (LOTS 2489-2635)
 WEDNESDAY, MARCH 9, 2011, AT 10:30 A.M.

1894-98 BUREAU ISSUE

- 2489 ★ **2c Carmine Lake, Ty. I (249).** Original gum, beautiful vivid color and proof-like impression, mathematically perfect centering with Jumbo margins

EXTREMELY FINE GEM. A SPECTACULAR EXAMPLE OF THE UNWATERMARKED 2-CENT TYPE I 1894 ISSUE IN THE CARMINE LAKE SHADE — GRADED GEM 100 JUMBO BY P.S.E.

As collectors of the First Bureau Issue know, great difficulty was experienced in perforating the stamps, either due to poor equipment or improper operation. Choppy, ragged perfs and poor centering are so common on this issue that it is often possible to separate the 1894 unwatermarked stamps from the 1895 watermarked stamps by the appearance of the perforations alone. This example, with precise centering, Jumbo margins and perfectly formed perforations is an extreme condition rarity.

With 2009 P.S.E. certificate (OGph, Gem 100 Jumbo; unpriced in SMQ above the grade of 98, SMQ \$1,050.00 as 98). This is the only hinged stamp to achieve this perfect grade in the P.S.E. Population Report, with only a single Mint N.H. example which realized \$27,000 in our sale of the Alan Whitman collection. This is a wonderful opportunity for the collector who values perfection but does not mind a light hinge 150.00

 VERY FINE APPEARANCE. A RARE ORIGINAL-GUM EXAMPLE OF THE 6-CENT 1895 ISSUE WITH “USIR” WATERMARK.
 The “USIR” (United States Internal Revenue) watermark error occurred when a supply of paper reserved for revenue stamp production was used for printing the 6c and 8c postage stamps. The 6c “USIR” Watermark error is considerably rarer than the 8c, especially in original-gum condition. We record less than a dozen original-gum copies. However, we are not certain how many of the stamps in multiples have the “I” or “R” portion of the watermark.

VERY FINE AND CHOICE. A BEAUTIFUL IMPRINT AND PLATE NUMBER PAIR OF THE \$2.00 TRANS-MISSISSIPPI ISSUE.

This pair was part of an old-time collection for many years and, as a result, is much fresher and brighter than the average \$2.00 Trans-Mississippi

The Scott Catalogue premium for an imprint and plate number pair versus two singles seems inadequate (\$4,750.00 vs. \$3,800.00). The premium for a plate block of four versus a block of four is more than ten times. A review of Power Search revealed only one other imprint and plate no. pair offered in our sales since 1998 .. 4,750.00

2570 ★田 **\$2.00 Trans-Mississippi (293).** Block of four, original gum, h.r., lovely bright color, nicely centered for this challenging issue, almost imperceptible natural light paper wrinkle top right stamp

FINE-VERY FINE BLOCK OF THE \$2.00 TRANS-MISSISSIPPI ISSUE.

This block was part of an old-time collection for many years and, as a result, is much fresher and brighter than the average \$2.00 Trans-Mississippi

Scott Catalogue assigns only a \$650.00 premium for a block versus four singles..... 8,250.00

2571 **\$2.00 Trans-Mississippi (293).** Brilliant color and precisely balanced margins, light strike of just the rim and two letters of a circular datestamp, trace of guideline at top

EXTREMELY FINE GEM. A SUPERB USED EXAMPLE OF THE \$2.00 TRANS-MISSISSIPPI ISSUE. THIS STAMP IS EXCEEDINGLY RARE WITH CHOICE CENTERING AND A LIGHT CANCEL.

While the top value of the Trans-Mississippi Issue is occasionally found well-centered, it invariably has a heavy cancel. This sound example with a light cancel is a true condition rarity.

With 2010 P.S.E. certificate (XF 90; SMQ \$2,300.00). This likely would have been graded 95 without the trace of the guideline at top, which is, of course, a completely natural occurrence and does not detract from the beauty of this stamp 1,100.00

Postmaster General Edwin C. Madden. When postal authorities learned of the practice, they destroyed 194 copies and put one pane of 100 into the official archives. At a later date, 97 of these were traded for rarities missing from the archives.

Shipping and Transit Insurance

We will be pleased to arrange for shipping and transit insurance for purchases in this sale (except those described as “floor sale only”). To expedite billing and delivery of lots to hundreds of buyers per sale, we use standard charges for postage and insurance, based on the package weight and mailing requirements (see schedule). The standard charges are sometimes slightly more or less than the actual postage or Fedex fees, but we do not include any charge for our labor or packing costs. Therefore, we ask all buyers to remit the prescribed amount for shipping charges.

Transit insurance is provided in all cases, except when the buyer has furnished us with proof that insurance coverage is effective under another policy. Proof, in such cases, will be accepted in the form of a written certificate from the insurance carrier.

You are responsible for insurance charges, which will be added to your invoice. This coverage is provided for our mutual protection against theft or loss in transit.

Bidding Increments

The auctioneer may regulate the bidding at his discretion. However, to assist absentee bidders in establishing their maximum bid for each lot, the increments shown at right will be used in most cases. We recommend that written bids conform to these increments (those which do not will be reduced to the next level).
