Bidding

The following means are available for placing bids:

- 1) Attending the Live Auction in Person:** All bidders must register for a paddle, and new bidders must provide references at least three business days in advance of the sale.
- 2) Live Internet Bidding:** Instructions for participating as a Live Internet Bidder are provided on the page opposite.
- 3) Phone Bidding:** Bidders can be connected to the sale by phone and bid through a member of staff. Requests for phone bidding are subject to approval (please contact our office at least 24 hours before the sale). A signed Bid Form is required.
- 4) Absentee Bids.** All bids received in advance of the sale, either by mail, fax, phone, e-mail or internet, are Absentee Bids, which instruct the auctioneer to bid up to a specific amount on one or more lots in the sale. Absentee Bids sent by phone, fax or e-mail should arrive at least one hour prior to the start of the sale session. Bids entered through Live Internet Bidding will be visible to the auctioneer during the sale. Written bids should be entered legibly on the Bid Form in the sale catalogue. E-mail and internet bids should be carefully typed and double-checked. All new bidders must provide references. We recommend calling or e-mailing to confirm that Absentee Bids sent by mail, fax or e-mail have been received and entered.

Pre-Sale Viewing

Subject to availability, certain lots (except group lots) can be sent to known clients for examination. Requests must be made no later than 7 days prior to the sale. Lots must be returned on the day received. Postage/insurance costs will be invoiced.

In addition to regular viewing, clients may view lots by appointment. Our staff will be pleased to answer questions or provide additional information about lots.

Individual items offered without a PF or PSE certificate dated within the past five years may be purchased subject to independent certification of genuineness and our description. **Please refer to the Conditions of Sale and Grading Terms for policies governing certification.**

Live Internet Bidding at Siegel Auctions

BIDDING FROM YOUR COMPUTER LETS YOU BE PART OF THE LIVE AUCTION FROM ANYWHERE IN THE WORLD!

There's NO SUBSTITUTE for following the auction in real time.
Live Internet Bidding lets you bid and buy as though you were right there in the saleroom.
And it's easy.

This step-by-step guide will instruct you how to register, set your browser and use the bidding interface.

Start by following the simple steps to become a registered Live Internet Bidder.
Once you've been approved for bidding, you can listen to the auction and place bids with the click of a mouse.

Registering with STAMP AUCTION NETWORK & SIEGEL AUCTION GALLERIES

Live Internet Bidding is managed by Stamp Auction Network (SAN).
To bid, you must be registered and approved by *both* SAN and Siegel.
To decide what you need to do, choose the description below that best fits you.

I've already registered with SAN and have been approved by Siegel for internet bidding.

I'm a Siegel client, but I'm not registered with SAN.

Go to stampauctionnetwork.com/siegel and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form, indicating you are a Siegel client. Once registered at SAN, you're ready for internet bidding.

I've bid through SAN before, but this is the first time I've bid in a Siegel sale.

Then you just need to be approved by Siegel. Go to stampauctionnetwork.com/siegel and click on "Update Registration" at the top. Your SAN account information will be sent to us for approval (you might be asked for other trade references). Once approved by Siegel for bidding, you're ready for internet bidding.

I've never bid with Siegel, nor registered with SAN.

Go to stampauctionnetwork.com/siegel and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (please, no family members or credit card companies as references). Once registered at SAN and approved by Siegel for bidding, you're ready for internet bidding.

Live Internet Bidding works by allowing registered bidders to observe and place bids.

Live Internet Bidding will work with any browser on both PC and Mac operating systems.

Before bidding by internet for the first time, we recommend finding a sale in progress and listening to the public broadcast or logging in as a registered bidder. This will help you develop a feel for the sale tempo and bidding interface.

Log on to the auction at stampauctionnetwork.com/siegel.

You can also log on at siegelauctions.com

When you're logged on as a Live Internet Bidder, the bidding interface shows a photo and description of the lot, the current bid (and your bidding status), options for placing competitive bids and buttons with bid increments.

- After you click on a bid amount, the auctioneer is immediately notified of your bid.
- Retracting a bid is usually not acceptable, so please bid carefully.
- If you bid and then decide to stop, the "Pass" button will tell the auctioneer you are no longer bidding.
- You can send messages to the auctioneer (for example, a request for extension).
- You can track prior realizations from the bidding screen.

"System Down" or "Lost Connection" events do occasionally happen.

If you have any problems with Live Internet Bidding please call **212-753-6421** for immediate assistance.

Conditions of Sale (please read carefully before bidding)

THE PROPERTY DESCRIBED IN THIS CATALOGUE WILL BE OFFERED AT PUBLIC AUCTION BY ROBERT A. SIEGEL AUCTION GALLERIES, INC. ("GALLERIES") ON BEHALF OF VARIOUS CONSIGNORS AND ITSELF OR AFFILIATED COMPANIES. BY BIDDING ON ANY LOT, WHETHER DIRECTLY OR BY OR THROUGH AN AGENT, IN PERSON, OR BY TELEPHONE, FACSIMILE OR ANY OTHER MEANS, THE BIDDER ACKNOWLEDGES AND AGREES TO ALL OF THE FOLLOWING CONDITIONS OF SALE.

11. The highest bidder acknowledged by the auctioneer shall be the buyer. The term "final bid" means the last bid acknowledged by the auctioneer, which is normally the highest bid offered. **The purchase price payable by the buyer will be the sum of the final bid and a commission of 15% of the final bid ("buyer's premium"), together with any sales tax, use tax or customs duties due on the sale.**

2. The auctioneer has the right to reject any bid, to advance the bidding at his discretion and, in the event of a dispute, to determine the successful bidder, to continue the bidding or to reoffer and resell the lot in dispute. The Galleries' record of the final sale shall be conclusive.

3. All bids are per numbered lot in the catalogue unless otherwise announced by the auctioneer at the time of sale. The right is reserved to group two or more lots, to withdraw any lot or lots from the sale, or to act on behalf of the seller. The Galleries will execute bidding instructions on behalf of clients, but will not be responsible for the failure to execute such bids or for any errors in the execution of such bids.

4. Lots with numbers followed by the symbol ° are offered subject to a confidential minimum bid ("reserve"), below which the lot will not be sold. The absence of the symbol ° means that the lot is offered without a reserve. If there is no reserve, the auctioneer has sole discretion to establish a minimum opening bid and may refuse an offer of less than half of the published estimate. Any lot that does not reach its reserve or opening bid requested by the auctioneer will be announced as "passed" and excluded from the prices realized lists after the sale. The Galleries may have a direct or indirect ownership interest in any or all lots in the sale resulting from an advance of monies or goods-in-trade or a guarantee of minimum net proceeds made by the Galleries to the seller.

5. Subject to the exclusions listed in 5(A), the Galleries will accept the return of lots which have been misidentified or which have obvious faults that were present when the lot was in the Galleries' custody, but not so noted in the lot description. **All disputed lots must be received by the Galleries intact with the original packing material within 5 days of delivery to the buyer but no later than 30 days from the sale date.**

(5A) EXCLUSIONS: The following lots may not be returned for any reason, or may not be returned for the reasons stated: i) lots containing 10 or more items; ii) lots from buyers who registered for the pre-sale exhibition or received lots by postal viewing, thereby having had the opportunity to inspect them before the sale; iii) any lot described with "faults," "defects" or a specific fault may not be returned because of any secondary fault; iv) photographed lots may not be returned because of centering, margins, short/nibbed perforations or other factors shown in the illustrations; v) the color of the item does not match the color reproduction in the sale catalogue or website listing; vi) the description contains inaccurate information about the quantity known or reported; or vii) a certification service grades a stamp lower than the grade stated in the description.

6. Successful bidders, unless they have established credit with the Galleries prior to the sale, must make payment in full before the lots will be delivered. Buyers not known to the Galleries must make payment in full within 3 days from the date of sale. **The Galleries retains the right to demand a cash deposit from anyone prior to bidder registration and/or to demand payment at the time the lot is knocked down to the highest bidder, for any reason whatsoever.** In the event that any buyer refuses or fails to make payment in cash for any lot at the time it is knocked down to him, the auctioneer reserves the right to reoffer the lot immediately for sale to the highest bidder. **Credit cards (Visa, Mastercard and Discover only) can be accepted as payment but will be subject to a 3% Convenience Fee, which will be added to the total of the entire invoice (including hammer price, buyer's premium, shipping and transit insurance charges and any applicable taxes).**

7. If the purchase price has not been paid within the time limit specified above, nor lots taken up within 7 days from the date of sale, the lots will be resold by whatever means deemed appropriate by the Galleries, and any loss incurred from resale will be charged to the defaulting buyer. **Any account more than 30 days in arrears will be subject to a late payment charge of 1½% per month as long as the account remains in arrears. Any expenses incurred in securing payment from delinquent accounts will be charged to the defaulter.** A fee of \$250.00 per check will be charged for each check returned for insufficient funds.

8. All lots are sold as genuine. **Any lot accompanied by a certificate issued by The Philatelic Foundation, British Philatelic Association, Royal Philatelic Society of London or any other authority recognized by the A.I.E.P. in a specific area of expertise, and dated within 5 years of the sale date, is sold "as is" and in accordance with the description on the certificate. Such lots may not be returned for any reason, including but not limited to a contrary certificate of opinion.** Buyers who wish to obtain a certificate for any item that does not have a certificate (dated as above) may do so, provided that the following conditions are met: (1) the purchase price must be paid in full, (2) the item must be submitted to an acceptable expertizing committee with a properly executed application form within 21 days of the sale, (3) a copy of the application form must be given to the Galleries, (4) in the event that an adverse opinion is received, the Galleries retain the right to resubmit the item on the buyer's behalf for reconsideration, without time limit or other restrictions, (5) unless written notification to the contrary is received, items submitted for certification will be considered cleared 90 days from the date of sale, and (6) in the event any item is determined to be "not as described", the buyer will be refunded the purchase price and the certification fee up to \$800.00 unless otherwise agreed.

9. Until paid for in full, all lots remain the property of the Galleries on behalf of the seller.

10. Agents executing bids on behalf of clients will be held responsible for all purchases made on behalf of clients unless otherwise arranged prior to the sale.

11. The buyer assumes all risk for delivery of purchased lots and agrees to pay for prescribed shipping costs. **Buyers who receive lots in the U.S. are obligated to pay whatever sales tax or compensating use tax might be due, and buyers outside the U.S. are responsible for all customs duties.**

12. The bidder consents that any action or proceeding against it may be commenced and maintained in any court within the State of New York or in the United States District Court for the Southern District of New York, that the courts of the State of New York and United States District Court for the Southern District of New York shall have jurisdiction with respect to the subject matter hereof and the person of the bidder. The bidder agrees not to assert any defense to any action or proceeding initiated by Galleries based upon improper venue or inconvenient forum. The bidder agrees that any action brought by the bidder shall be commenced and maintained only in a Federal Court in the United States District Court for the Southern District of New York or the State Court in the county in which Galleries has its principal place of business in New York. The bidder agrees not to use a public conflict resolution service and not to use any form of social media to publish comments or information about the Galleries and its employees which might harm the Galleries' reputation or business. **These Conditions of Sale shall be governed by and construed in accordance with the substantive laws of the State of New York, and shall constitute an agreement that shall be binding on the parties, and their respective heirs, administrators, distributees, successors and assignees.**

Grades, Abbreviations and Values Used in Descriptions

Grades and Centering

Our descriptions contain detailed information and observations about each item's condition. We have also assigned grades to stamps and covers, which reflect our subjective assessment. For stamps, the margin width, centering and gum are described and graded according to generally-accepted standards (an approximate correlation to numeric grades is provided at right). Although we believe our grades are accurate, they are not always exactly aligned with third-party grading terms or standards for all issues. **A lot may not be returned because a certification service grades a stamp lower than the grade stated in the description. Information from the P.S.E. Stamp Market Quarterly and P.S.E. Population ReportSM is the most current available, but lots may not be returned due to errors or changes in statistics or data.**

Extremely Fine Gem (90-100): The term "Gem" describes condition that is the finest possible for the issue. This term is equivalent to "Superb" used by grading services.

Extremely Fine (80-90): Exceptionally large/wide margins or near perfect centering.

Very Fine (70-85): Normal-size margins for the issue and well-centered with the design a bit closer to one side. "Very Fine and choice" applies to stamps that have desirable traits such as rich color, sharp impression, freshness or clarity of cancel.

Fine (60-70): Smaller than usual margins or noticeably off center. Pre-1890 issues may have the design touched in places.

Very Good (below 60): Attractive appearance, but margins or perforations cut into the design.

Covers

Minor nicks, short edge tears, flap tears and slight reduction at one side are normal conditions for 19th century envelopes. Folded letters should be expected to have at least one file fold. Light cleaning of covers and small mends along the edges are accepted forms of conservation. Unusual covers may have a common stamp with a slight crease or tiny tear. **These flaws exist in virtually all 19th century covers and are not always described. They are not grounds for return.**

Catalogue Values and Estimates

Unless otherwise noted, the currently available *Scott Catalogue* values are quoted in dollars with a decimal point. Other catalogues are often used for foreign countries or specialized areas and are referred to by their common name: *Stanley Gibbons* (SG), *Dietz*, *American Air Mail Catalogue* (AAMC), *Michel*, *Zumstein*, *Facit*, etc. Estimates are indicated with an "E." and reflect our conservative valuation in dollars. Reserves will never exceed the low end of the estimate range; they will sometimes exceed Scott Catalogue value for stamps in Extremely Fine condition.

Because of certain pricing inconsistencies in the *Scott Catalogue*—for example, blocks that have no gum, the absence of premiums for Mint N.H. items, etc.—we cannot guarantee the accuracy of values quoted for multiples, specialized items and collection lots. We generally try to be conservative, but buyers may not return a lot because of a discrepancy in catalogue value due to Scott pricing inconsistencies.

VERY FINE APPEARANCE. A RARE MINT NEVER-HINGED EXAMPLE OF THE 1919 ROSS-SMITH ENGLAND-TO-AUSTRALIA FIRST AERIAL POST ISSUE.

On March 19, 1919, the Australian government offered a £10,000 prize to the first Australian aviator to fly from England to Australia in 30 days or less. On November 12, 1919, Ross Macpherson Smith, Keith Smith, J. M. Bennett and W. H. Shiers left London in a Vickers Vimy aircraft. They arrived in Darwin on December 10; their final destination was Melbourne.

On arrival in Darwin, Smith telegraphed the Australian prime minister requesting a commemorative stamp be issued. The commemorative label was designed by A.I.F. war artist Lieutenant Benson, and was printed in Melbourne on Crown over "A" watermarked paper.

A total of 576 labels were made. Of these, 346 were attached to incoming mail carried on the trip. It is reported that 150 were destroyed, and that some of the 87 unused labels were presented to officials and the four crew members.

VERY FINE AND IMMENSELY RARE. ONLY 24 SETS WERE PRODUCED WITH NO MORE THAN 17 BELIEVED TO BE IN PRIVATE HANDS. AN ICONIC SET OF ESSAYS AND ONE OF THE RARITIES OF THE BRITISH COMMONWEALTH.

Produced in early 1923, these were prepared prior to adopting the name change from “Koweit” to “Kuwait” for postal purposes and making it more accurate to the pronunciation in Arabic. Two panes of 12 each were printed in Calcutta. One of which, according to Kuwait-Stamps.com, a set of block of four resides in the Royal Collection, two sets sent to the then Viceroy and one set to the Deputy Director General. The other pane was obtained by a London dealer who broke them up into sets. Therefore, no more than 17 are believed to be in private hands and there is a good chance that less are available to collectors today. Many sets have also been broken down and few complete sets remain.

This particular set has not been offered in over 40 years. Ex Ameer of Bahawalpur. SG value.....(Photo Ex) £ 35,000

NOVA SCOTIA

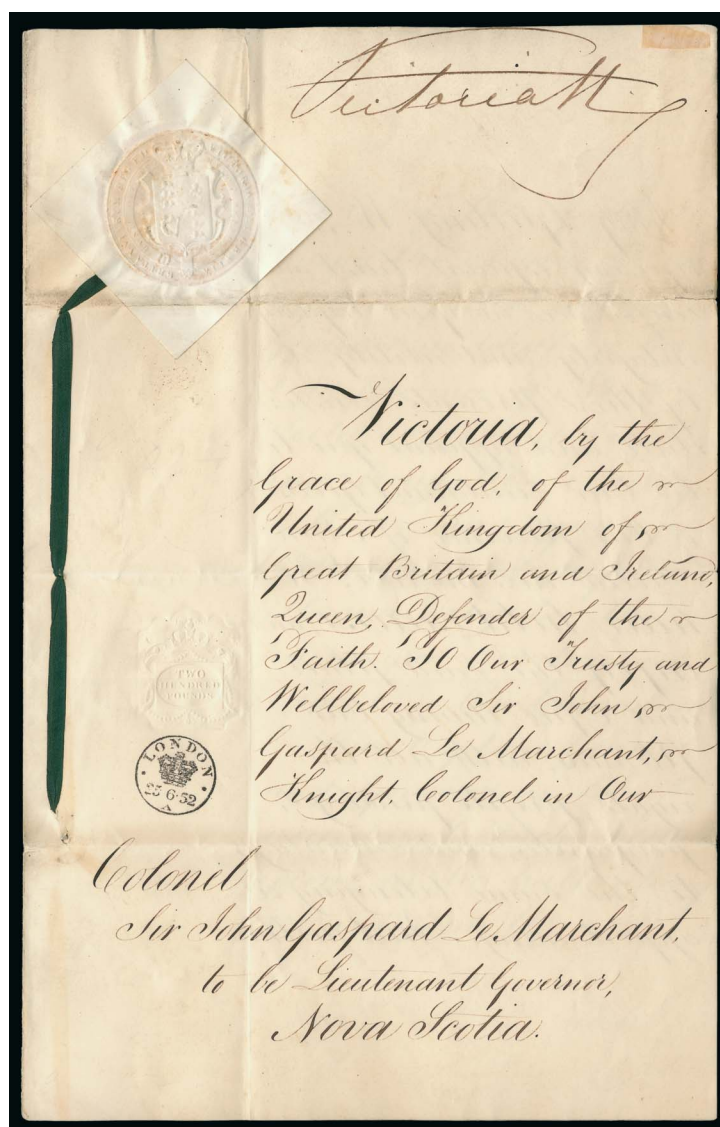

Essays and Proofs

The International Gold Medal Collection
formed by Fred G. Fawn

The following offering is an exceptional assemblage of the pre-production essays and proofs of Nova Scotia's postage stamps. Together, this material was displayed as an impressive single-frame exhibit by Fred G. Fawn, resulting in three FIP International Gold medal awards since 2011. Its highest point total was 93 points, awarded at BRASILIANA 2013. The exhibit was also Best-in-Class for one-frame exhibits, including all seven categories, within the OFE judging.

Of particular note is the first lot of Mr. Fawn's exhibit collection, an extraordinary document signed by Queen Victoria herself, appointing Nova Scotia's Lieutenant Governor, who is, by law, the person to handle all Postal Approvals. A marvelous beginning to a noteworthy collection.

HISTORICAL DOCUMENTS AND EPHEMERA

Queen Victoria Appoints Sir John Gaspard Le Marchant as Lieutenant Governor of Nova Scotia. Eight page document (last three pages are blank) dated 16 June 1852 and signed *Victoria* at top, embossed official seal and embossed £200 revenue stamp, with London docketing seal dated 26.6.52

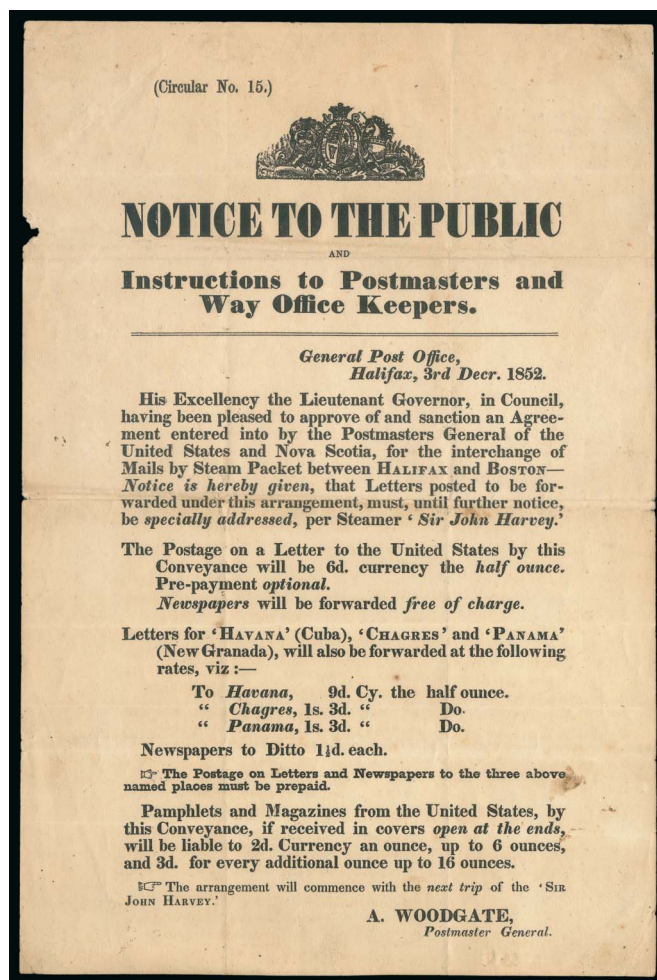

A PHILATELICALLY IMPORTANT DOCUMENT SIGNED BY QUEEN VICTORIA MAKING LE MARCHANT THE POSTMASTER OF NOVA SCOTIA.

Postal regulations in Nova Scotia fell under the jurisdiction of the Crown, via the Lieutenant Governor, for *Final Approval and Establishment*.

The document is quite fresh and the famous signature of Victoria especially clear. The paper bears the watermark "J. Whatman/Turkey Mill 1847", the Royal Papermaker for Queen Victoria's personal correspondence. Also of note is the £200 embossed revenue stamp, a particularly large amount for that time, the equivalent of about £100,000 today.

Sir John Gaspard Le Marchant joined the British Army at in 1820 at age 17, eventually reaching the rank of Colonel. He was the Governor of Newfoundland from 1847-1852, just before being appointed Lt. Governor of Nova Scotia. He later became Governor of Malta.

A unique document and an indispensable item for someone wishing to display the entire philatelic history of Nova Scotia..... E. 7,500-10,000

The Department of Antioquia 1886 – 1904

The International Large Gold Medal Collection
formed by Santiago Cruz

We are proud to offer this outstanding, award-winning, exhibit collection formed by the well respected exhibitor and accredited judge, Santiago Cruz. Mr. Cruz has a knack for taking philatelically fascinating, yet less well known areas, to a new level. In this instance, he has formed the preeminent collection of one of Colombia's most interesting States – Antioquia. However, he concentrated his exhibit collection on the issues of the Department of Antioquia, from the transitional period of 1886 to the end of the Departmental Postal Services in December 1906.

Not only has he acquired the prerequisite essays, proofs, stamps and varieties of the twelve different issues printed during this period, he also keenly sought out the seldom seen postal history. In fact, of the less than 45 covers or stamped documents reported to have survived from this period, his exhibit contains a remarkable total of 33 of them.

Listed below is the impressive medal winning history of this one-of-a-kind collection, attesting to the respect given by judges both nationally and internationally:

ANTIOQUIA 1886-88 TRANSITION ISSUE

- 2480 ★田 **1886, 2½c Black on Orange, Erased Cliché (56).** Partial bottom sheet-margin block of nine, positions 23-25/33-35/43-45, with the center position 34 displaying a blank space, being an erased cliché which quite likely represented a 5c denomination according to the Antioquia handbook by Juan Santa Maria (pages 116-117), full balanced margins all around, quite fresh, top half of block still retains its original gum, three creases and a couple of trivial pin holes, none of which affect its Very Fine appearance, only one sheet and three blocks containing this desirable error are reported E. 300-400

- 2481 ☒ **1886, 2½c Black on Orange (56).** Single example paying the local rate in Medellin, with three mostly full margins, fourth at left slightly cutting, tied on small cover by purple "Medellin" in oval postmark, additional strike at bottom right of cover, stamp apparently was first affixed at bottom left of cover and canceled there (with trace of original cancel), but fell off and was re-affixed slightly above original position and canceled again, most of backflap missing

FINE. AN EXTREMELY RARE COVER, BEING ONE OF ONLY TEN COVERS RECORDED BEARING STAMPS OF THE 1886-1888 TRANSITION ISSUE AND THE SOLE RECORDED EXAMPLE OF THE 2½-CENTAVOS VALUE ON COVER. AN IMPORTANT POSTAL HISTORY RARITY OF ANTIOQUIA.

Ex Santa Maria. With 2009 Bortfeldt certificate. E. 2,000-3,000

- 2482 ★田 **1886, 10c Rose on Buff, Se-tenant with 50c, Erased Transfer Error (58, 58a).** Top sheet-margin block of nine, positions 3-5/13-15/23-25, with the center position 14 showing a cliché error erased in the center, with remnant of the 50c numerals showing in the corners, known as the "doughnut" block, clear to mostly large margins, original gum, a few h.r.'s, light horizontal crease in the top sheet margin only, Very Fine, only 120 sheets of the second state with this striking error were printed and far fewer still survive today, illustrated on page 48 of Dr. Gene Scott's Colombian States handbook, ex Dr. Scott E. 400-500
- 2483 ★ **1886, 10c Rose on Buff, Se-tenant with 50c (58, 58a).** Two horizontal se-tenant pairs in different shades, one is position 13-14 with 50c value at right, other is position 14-15 with 50c value at left, original gum, h.r.'s, both quite fresh and well margined, Very Fine, only 120 sheets were printed containing the error 50c transfer in the sheet of 10c stamps (Photo Ex) E. 200-300
- 2484 ☒ **1886, 10c Rose on Buff (58).** Choice four-margined example, with sheet margin at bottom, tied on large portion of a cover to Remedios by light strike of "Zaragoza" oval postmark, with additional partial strike at top right, the 10c franking paying the triple letter rate up to 15 grams to Remedios, choice strike of "Remedios" oval arrival handstamp on reverse, cover opened out and slightly reduced at right and at bottom, Fine, **one of only ten covers recorded from this issue**, ex Santa Maria, with 2009 Bortfeldt certificate E. 400-500

- 2485 **1886, 2p Green on Violet, Error of Colored Paper (63 var).** Used example with paper normal white color on front and violet on reverse, but not colored through as usual, three large to very large margins, just touching at left, portion of violet oval postmark, deep hinge thin, Fine appearance, the only used example reported of this error E. 200-300
- 2486 ☒ **1888, 5c Carmine on Buff (66).** Single franking tied to a wrapper to Remedios by "Medellin" oval postmark, with "Remedios" oval receiving handstamp at bottom left and on reverse, stamp with fresh color and three margins, just cut in at left and in bottom corner, Very Fine, an exceptionally rare usage of this issue, and the only recorded wrapper, ex Santa Maria, with 2009 Bortfeldt certificate E. 750-1,000
- 2487 ☒ **1888, 5c Carmine on Buff (66).** A remarkable vertical strip of three with mostly ample to large margins (slight staining on top stamp), used on a judicial wrapper from Pacora to Rionegro, paying the 15c rate up to 25 grams, manuscript "Pacora 1888" cancel across strip, some edge faults to cover and slightly refolded, Fine appearance, despite the aforementioned flaws this cover is extremely rare and represents the largest known multiple of this value on cover, illustrated on page 122 of *Historia Postal de Antioquia* by Juan Santa Maria, ex Santa Maria, with 2009 Bortfeldt certificate E. 1,000-1,500
- 2488 ☒ **1888, 10c Brown on Green, Diagonal Bisect Used as 5c (68 var).** Top right corner example with large sheet margin at bottom, used to pay correct 5c single domestic letter rate on cover to Cali, tied by bold strike of "Correos Nacionales/Febr 5 1892/Cali" oval postmark, however the Antioquia Departmental postage stamps were only valid within the Department and not nationally, hence the cover was marked for postage due with violet "T" in circle handstamp, cover with light water staining and opened irregularly at top right, Fine appearance, **in addition to being one of only ten covers recorded franked with this issue, this is the only taxed domestic cover with this stamp from Antioquia**, with 2013 Bortfeldt certificate E. 750-1,000

END OF SESSION TWO

Live Internet Bidding at Siegel Auctions

BIDDING FROM YOUR COMPUTER LETS YOU BE PART OF THE LIVE AUCTION FROM ANYWHERE IN THE WORLD!

There's NO SUBSTITUTE for following the auction in real time.
Live Internet Bidding lets you bid and buy as though you were right there in the saleroom.
And it's easy.

This step-by-step guide will instruct you how to register, set your browser and use the bidding interface.

Start by following the simple steps to become a registered Live Internet Bidder.
Once you've been approved for bidding, you can listen to the auction and place bids with the click of a mouse.

Registering with STAMP AUCTION NETWORK & SIEGEL AUCTION GALLERIES

Live Internet Bidding is managed by Stamp Auction Network (SAN).
To bid, you must be registered and approved by *both* SAN and Siegel.
To decide what you need to do, choose the description below that best fits you.

I've already registered with SAN and have been approved by Siegel for internet bidding.

I'm a Siegel client, but I'm not registered with SAN.

Go to stampauctionnetwork.com/siegel and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form, indicating you are a Siegel client. Once registered at SAN, you're ready for internet bidding.

I've bid through SAN before, but this is the first time I've bid in a Siegel sale.

Then you just need to be approved by Siegel. Go to stampauctionnetwork.com/siegel and click on "Update Registration" at the top. Your SAN account information will be sent to us for approval (you might be asked for other trade references). Once approved by Siegel for bidding, you're ready for internet bidding.

I've never bid with Siegel, nor registered with SAN.

Go to stampauctionnetwork.com/siegel and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form **with your trade references** (please, no family members or credit card companies as references). Once registered at SAN and approved by Siegel for bidding, you're ready for internet bidding.

Live Internet Bidding works by allowing registered bidders to observe and place bids.

Live Internet Bidding will work with any browser on both PC and Mac operating systems.

Before bidding by internet for the first time, we recommend finding a sale in progress and listening to the public broadcast or logging in as a registered bidder. This will help you develop a feel for the sale tempo and bidding interface.

Log on to the auction at stampauctionnetwork.com/siegel.

You can also log on at siegelauctions.com

When you're logged on as a Live Internet Bidder, the bidding interface shows a photo and description of the lot, the current bid (and your bidding status), options for placing competitive bids and buttons with bid increments.

- After you click on a bid amount, the auctioneer is immediately notified of your bid.
- Retracting a bid is usually not acceptable, so please bid carefully.
- If you bid and then decide to stop, the "Pass" button will tell the auctioneer you are no longer bidding.
- You can send messages to the auctioneer (for example, a request for extension).
- You can track prior realizations from the bidding screen.

"System Down" or "Lost Connection" events do occasionally happen.

If you have any problems with Live Internet Bidding please call **212-753-6421** for immediate assistance.

Shipping and Transit Insurance

We will be pleased to arrange for shipping and transit insurance for purchases in this sale (except those described as “floor sale only”). To expedite billing and delivery of lots to hundreds of buyers per sale, we use standard charges for postage and insurance, based on the package weight and mailing requirements (see schedule). The standard charges are sometimes slightly more or less than the actual postage or Fedex fees, but we do not include any charge for our labor or packing costs. Therefore, we ask all buyers to remit the prescribed amount for shipping charges.

Transit insurance is provided in all cases, except when the buyer has furnished us with proof that insurance coverage is effective under another policy. Proof, in such cases, will be accepted in the form of a written certificate from the insurance carrier.

You are responsible for insurance charges, which will be added to your invoice. This coverage is provided for our mutual protection against theft or loss in transit.

Bidding Increments

The auctioneer may regulate the bidding at his discretion. However, to assist absentee bidders in establishing their maximum bid for each lot, the increments shown at right will be used in most cases. We recommend that written bids conform to these increments (those which do not will be reduced to the next level).
