

ING. ALBERTO DIENA
VIA CRESCENZIO 19
ROMA

8th February 1971

I have examined the two postage stamps of France, 1852: 10 c., pale bistre and 25 c., blue, unused, with gum, a photographic reproduction of which is attached to this certificate.

In my opinion, the two stamps are genuine, they have original gum and they are in perfect condition: I initialled them. They are Nos. 9 and 10 of the Yvert & Tellier catalogue.
