Certificate of Opinion No..DB 702

In our Opinion the item described as:

Colombia - Airmail, Scott C15, 30 Centavos, Rose, on piece of a backcover, together with a Bisected stamp of the same value, which should have paid a double letter rate of 50 Centavos, however the presented form shows only 45 Centavos, insufficient for the rate. As these stamps were affixed by an SCADTA official it went correctly through the mails. The stamps are cancelled by the 3-line Bogota SCADTA Agency handstamp tied on this piece of a cover. GENUINE in all aspects.
