## SECOND ISSUE

1871

Printed by Joseph R. Carpenter, Philadelphia

Perforated 12, Unwatermarked

After release of the First Issue, the Bureau of Internal Revenue received many reports of fraudulent cleaning and re-use. The Bureau ordered a Second Issue with new designs and colors, using a patented "chameleon" paper

which is usually violet or pinkish, with silk fibers.

While designs are different from those of the first issue, stamp sizes and make up of the plates are the same as for corresponding denominations.
