20th Universal Postal Congress

A glimpse at several potential mail delivery methods of the future is the theme of these four stamps issued by the U.S. in commemoration of the convening of the 20th Universal Postal Congress in Washington, D.C. from November 13 through December 14, 1989. The United States, as host nation to the Congress for the first time in ninety-two years, welcomed more than 1,000 delegates from most of the member nations of the Universal Postal Union to the major international event.

"PUASP" Series of AMERICA Stamps

The POSTAL UNION OF THE AMERICAS and SPAIN (PORTUGAL joined in 1990) had approved the AMERICA stamp project at its 1985 congress, held in Havana. The congress recommended its members to issue an omnibus **AMERICA Stamp Series** during 1989 through 1992, based on common themes related to America for the 500th anniversary of Christopher Columbus' discovery of the New World. The United States issued a total of five such stamps, viz: 2 commemorative and 3 air post stamps.
