

UNITED STATES GOVERNOR'S EDITION DUCK STAMP ALBUM

An Album of Mint and Governor Signed

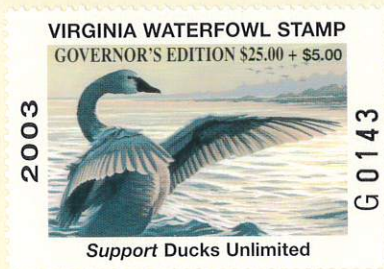

GOVERNOR'S EDITION STAMPS

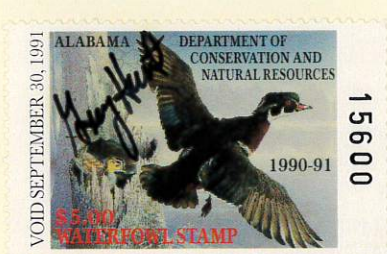

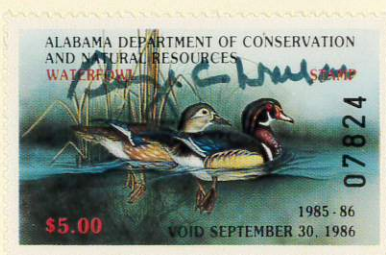

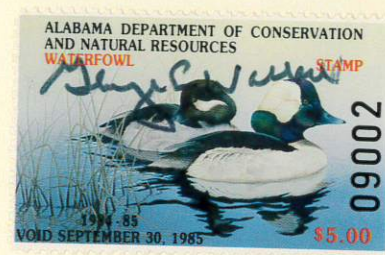

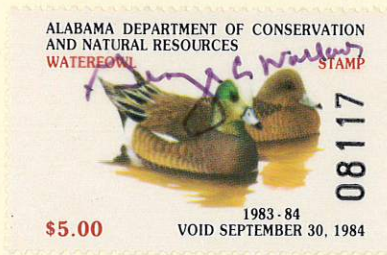

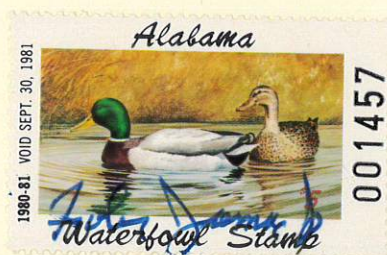

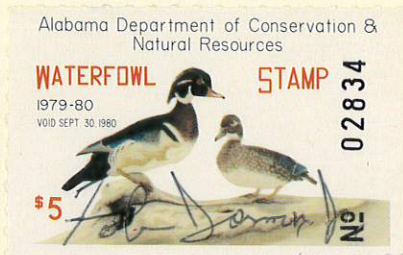

This album contains spaces for all Governor's Edition stamps issued through 1994 and several for 1995, when data was available. Spaces for mint stamps and Governor Signed stamps have been provided on separate pages to accommodate those collectors needing only one section. Several states have issued only Governor Signed stamps, which are further identified by the specialized serial number of the stamp.

Copyright 1995, Sam Houston Duck Company
13310 Westheimer #150 Houston, Texas

No part of this album may be reproduced without permission.
