With the passage of the Act of Congress on March 3, 1901 allowing the Louisiana Purchase Exposition to proceed, the work continued.

Prior to the Act's passage, the following pages show the efforts of the Post Office Department in St Louis with its cancellation machines to promote the St Louis committee work to secure the Act of Congress.

Besides that the effort, it was continued with commerical companies doing their best to achieve the same result.

Examples of these are also shown.

### 1903 Exposition Notation

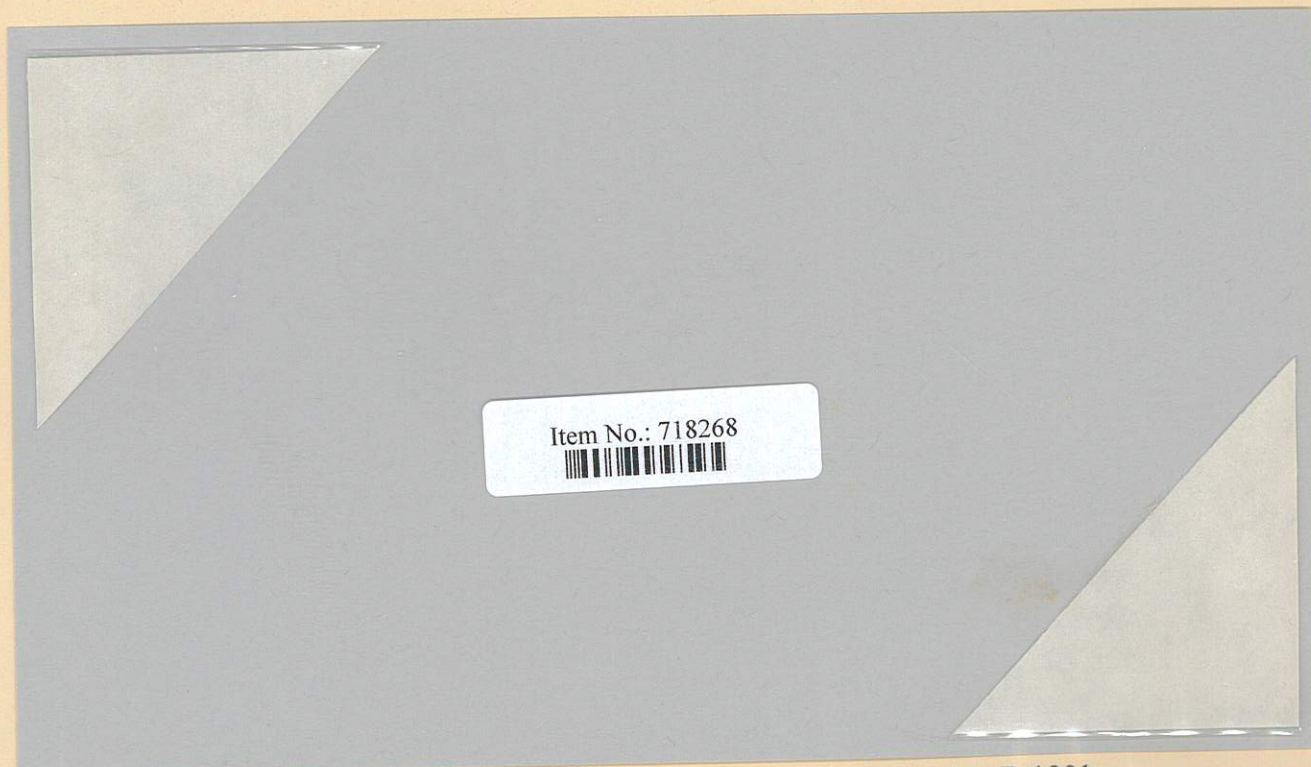

The Congress passed their approval to hold the Louisiana Purchase Exposition on March 3, 1901.

President William Mc Kinley signed Proclamation 464 on August 20, 1901 making it official and inviting the world to come.

Now it was full steam ahead with promoting the Exposition.

### 1903 Exposition Notation

On January 17, 1902 the announcement was made that the Exposition would be delayed until April of 1904.

Naturally many companies having ordered their supply of specially made 1903 advertising Exposition envelopes continued to use them after the notice of the delay.

This can be seen in the following pages.
