

Letter from Gen. John C. Fremont.

Mrs A. C. Frederick.
Coronado,
California

Los Angeles, Cal. Feb 27. 88
Dear Mrs. Frederick.

Your note of the 20th
is received. The only
regular book of mine
which has been published
is the first volume of
Memoirs upon which
I have been for some
time engaged. My
writing has been chiefly
in the form of Reports
of travels made to Congress
or of Executive work to
a Department.

Mrs. Fremont's "Year of
American Travel" has been
published in book form
as also have been her
contributions to the "Wide Awake"
Respectfully
John C. Fremont
