Combate del Peralejo. Muerte del General Santocildes.

2/17/99

My dear Frank.

Your letter, I remember, came
a long time

ago. I am sorry
of it.

have
post-hodone of Frank. say.

else
but
man

large
undermount.

was
burned ruins of the elephant & the
a blank cartridge and a long gun. The
Cuban ask right price for all

and the exorbitant prices paid for
the latest news, via Havana, and all sorts
of food, etc., the men are conducting
themselves well, doing what they have
to do without protest and this pleas-
ing their Colonel. He certainly is a bird,
and the men fairly worship him, in spite
of the fact that he is never seen talking
to the men.

My health is good
and I pray it will continue. Yes-
terday I spent nearly the whole day
with L. B. Luncheon of Det. Bapt. Ch. He
came from 7th Army Corps. He speaks
Spanish fluently. I speak it but a little.
Tell Mrs. Ross that he is well and still interested
in the Mission. It does seem good to see
some Americans. Three have called on me
and 'tis a treat. Am still much interested
in the mission and class. Work out
your ideal even though you have
to grow gradually. The class, I believe
has a first class nucleus which years
only can enlarge.

I send three Span. centavos, equal
to 2 Am. cents. Trust the box will
reach you all right.

Remember me to Mrs. Ross
and asst. supt. Neal. Tell him I am
well and in best of spirits.

Yours very truly,
Leah C. Smith.
