WRITTEN BY, SOLDIER
WALKING GAUG PLANK TO
EMBARK FOR WAR IN
PHILIPPINES
I will take this last chance of writing to you before I slowly march aboard the transport. It is quite a slow process going up the gang plank one by one so while I am writing this the people of San F. have been very good to us and it begins to seem like home to us and we rather hate to leave. They have treated us better than the people of P. I. did while there. Well Good Bye write often and do not wait for an answer but for it takes too long. E.M.H.
