PRESIDENT ROOSEVELT'S LETTER.

The White House, Washington.

My Dear Sergeant Brest:

September 29, 1908.

I most heartily congratulate you upon winning the 1908 President's Match, one of the great individual rifle contests of the year. I am greatly pleased that a non-commissioned officer of our Regular Infantry should thus make plain in unmistakable terms his right to stand among the foremost of the gallant and trustworthy men who make up the rank and file of the United States Army.

You must have been a good shot to win this great match, and as a good shot is almost invariably a good soldier in every other way, I feel that you are a credit to your company, your regiment and your country.

Sincerely yours,

(Signed) THEODORE ROOSEVELT.

FAIRBANK'S FAIRY SOAP

PURE
WHITE
FLOATING

"The Soap of the Century."—MRS. RORER.

The white color of FAIRY SOAP indicates its purity. Nothing enters into the manufacture of FAIRY SOAP but the purest and best materials known to the soapmaker's art and that money can buy.

FAIRY SOAP floats in either hot or cold water, is delicately perfumed, and contains no coloring matter so injurious to the skin. It is an ideal soap for the Toilet, Bath and Nursery.

FAIRY SOAP is excellent for shampooing. It produces a rich, white lather, readily removed by rinsing, and thoroughly cleaves the hair.

For washing soft woollens, pure linens, fine laces, rich cambrics and costly fabrics of fine texture and delicate color, FAIRY SOAP is unequalled.

Sold everywhere in one quality and three convenient sizes—a small size for the toilet, a medium size for the bath and nursery, and a large size for the laundry and general use.

Send us your name, address and one (1) FAIRY SOAP wrapper, and we will mail you free a copy of our beautiful booklet, "Fairy Tales," second series.

Send us five (5) FAIRY SOAP wrappers, and we will mail you free a beautiful painting in water colors by the celebrated artist, Leon Moran, entitled "Fairy Tales," 17½ x 24 inches, on fine plate paper, ready for framing.

Central Cuban Relief Committee,
58 William Street, N. Y. City.

April 19th, 1898.

DEAR FRIEND:—You have doubtless seen by the press despatches that this Committee will immediately send a special steamer to Cuba, with supplies for the sufferers there. She will carry 1,000 tons or more, which we now have on hand. We shall follow her within three weeks, we hope, by another with as much as we can collect in that time.

The despatching of these special steamers with relief supplies is the outcome of a conference between the Department of State and this Committee, in obedience to the expressed wish of the President. The vessels will be American and will sail from New York to Key West, where they will get orders to proceed. They will carry the United States and Red Cross flags, and be turned over to the American National Red Cross upon leaving New York. In case of hostilities, they will be conveyed to Cuban ports by United States war vessels, and the distribution of supplies will be under an escort of the United States Army. The terms of the Geneva Treaty (Red Cross Treaty) require the Government to furnish such convoy and escort, and the Red Cross flag when thus accompanied will render the supplies and persons distributing the same, neutral, and as such they will be respected and unmolested by the Spanish Army and Navy.

To the end that we may be able to make the second ship load a large and valuable one, will you please immediately resume your efforts in the solicitation of donations? Money remittances should be made to Hon. Chas. A. Schieren, Treasurer, 58 William St., New York, and supplies should be consigned to this Committee at New York, and notice given to the Committee before forwarding. Bill of lading should be mailed us promptly upon shipment.

Very truly yours,

STEPHEN E. BARTON, Chairman.

WELCOME.

Welcome our ships of Virtue's host,
Welcome our gallant boys in blue;
They the lesson of peace have taught,
Greater than all the battles fought.
Let us all, with one united voice,
Shout "Welcome!" till the hills rejoice;
While high upon the scroll of Fame,
In characters bold, will be the name
Of each good ship, each officer and jack—
The "forty thousand" record on Neptune's track.
